Price increases will be effective upon the date such a request is received in writing; and will not be made retroactive.

Neither any payment for, nor acceptance of, the whole or any part of the services by FW, nor any extension of time, shall operate as a waiver of any provision of any Contract resulting from this IFB, nor of any power herein reserved to FW, or any right to damages herein provided, nor shall any waiver of any breach of any Contract be held to be a waiver of any other or subsequent breach. Failure of FW to require compliance with any term or condition of any Contract shall not be deemed a waiver of such term or condition or a waiver of the subsequent enforcement thereof.

Failure to comply may result in late payments for which FW will not be liable.
- B. Terms: All payments will be Net 30 from the date of receipt of a valid invoice at FW Finance Department. Payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. - F. Unreasonable Charges: Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, final payment is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, FW shall promptly notify the Contractor, in writing, as to those charges that it considers unreasonable and the basis for the determination.

Such notice of termination shall describe in reasonable detail the grounds for the termination and shall take effect immediately upon receipt by the Contractor.

If, after issuance of a notice of termination under this Section it is determined for any reason that cause for such termination did not exist, then the rights and obligations of the parties shall be the same as if the notice of termination had been delivered under the provisions of subsection B (termination for convenience) hereof; provided, however, that the Contractor in such event shall be deemed to have received seven days prior written notice of such termination. Any compensation due the Contractor pursuant to subsection B shall be offset by the cost to FW of remedying the default by the Contractor. The Contractor shall in no event be entitled to receive any consequential damages or any anticipated profits with respect to Commodities not yet furnished to, and accepted by, FW as of the effective date of any such termination.

B. For Convenience. FW shall have the right to terminate the Contract and/or any outstanding Purchase Orders issued hereunder at its own convenience for any reason by giving seven business days prior written notice of termination to the Contractor. In such event, the Contractor shall be paid an amount equal to the actual cost of any Commodity delivered to, and accepted by, FW and the actual cost of any equipment, goods or materials ordered by the Contractor hereunder in good faith which could not be canceled, less the salvage value thereof, provided sufficient substantiation is furnished to FW. Any subcontract entered into by the Contractor in connection with the transactions contemplated hereby shall contain a similar termination provision for

The contractor further warrants that all workmanship shall be of the highest quality and in accordance with contract documents and shall be performed by persons qualified at their respective trades.
- B. Materials and equipment shall be fully guaranteed against defects in material and workmanship for a period of 12 months following date of final acceptance. Should any defect be noted by the FW, the Project Manager will notify the contractor of such defect or non-conformance. Notification will state either (1) that the contractor shall replace or correct, or (2) FW does not require replacement or correction, but an equitable adjustment to the contract price will be negotiated. If the contractor is required to correct or replace, it shall be at no cost to FW and shall be subject to all provisions of this clause to the same extent as materials initially delivered. If the contractor fails or refuses to replace or correct the deficiency, the office issuing the purchase order may have the materials corrected or replaced with similar items and charge the contractor the costs occasioned thereby or obtain an equitable adjustment in the contract price.
- C. Work not conforming to these warranties shall be considered defective.
- D. This warranty of materials and workmanship is separate and independent from and in addition to any of the contractor's other guarantees or obligations in this contract.

By entering this Contract, the Contractor certifies that it does not and will not during the performance of this Contract violate the provisions of the Federal Immigration Reform and Control Act of 1986, which prohibits employment of illegal aliens.

3.27 Severability

In the event that any provision shall be adjudged or decreed to be invalid by a court of competent jurisdiction, such ruling shall not invalidate the entire Agreement but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.

3.28 Licensure

To the extent required by the Commonwealth of Virginia (see e.g. 54.1-1100 et seq. of the Code of Virginia) or FW, the Contractor shall be duly licensed to perform the services required to be delivered pursuant to this Contract.

A Contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law. Any business entity described herein that enters into a Contract with FW pursuant to the Virginia Public Procurement Act 2.2-4300 et seq. shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50 of the Code of Virginia, to be revoked or cancelled at any time during the term of the Contract. FW may void any Contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

3.30 Drug-free workplace to be Maintained by Contractor*

During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

3.31 Employment Discrimination by Contractor Prohibited; Required Contract Provisions*

The following provision is required to be in every contract of more than \$10,000 (Virginia Public Procurement Act, § 2.2-4311)

- A. During the performance of any ensuing contract, the Contractor agrees as follows:
1. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 2. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
 3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
- B. The contractor will include the provisions of the foregoing paragraphs 1, 2 and 3 in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

3.32 Background Checks

- A. Background checks of contractor employees and/or subcontractors may be conducted at the discretion of FW after the Contractor identifies those persons who will be working under the Agreement. When this occurs, the Contractor shall not send any workers to the job site whose information has not been provided for FW's background check. The background checks will be paid for by FW. If it is determined in FW's sole judgment, that an individual is not suitable due to the results of a background check, FW has right of refusal for that individual. If the Contractor needs to have materials delivered to the job site, deliveries from outside vendors must be approved in advance by the FW Contract Administrator.
- B. The Contractor should have enough qualified people with current background checks so as to be able to provide a replacement within twenty-four (24) hours. It is recommended that the Contractor keep on file with the Contract Administrator a list of persons who may work at FW properties so that replacements can be quickly made. Should a replacement take longer than twenty-four (24) hours, this may be cause for termination of the Agreement. Should the Contractor assign someone who has not had a background check, that person will be immediately ordered off of FW property and the Contractor may not bill FW for any hours worked. No one with a felony conviction may be employed under this Agreement. The Contractor MUST remove any employee from FW service who is convicted of a felony during his or her employment. After

initial background checks have been made, they must be done annually for any person working at FW sites after one (1) year. Failure to obtain background checks as specified can result in termination of the Agreement.

3.33 Counterparts

This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.

3.34 Force Majeure

- A. A party is not liable for failure to perform the party's obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, strikes at national level or industrial disputes at a national level, or strike or industrial disputes by labor not employed by the affected party, its subcontractors or its suppliers and which affect an essential portion of the contracted for works but excluding any industrial dispute which is specific to the performance of the works or this Contract, interruption or failure of electricity or telephone service.
- B. If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of force majeure and the reasons for the event of force majeure preventing that party from, or delaying that party in performing its obligations under this contract and that party must use its reasonable efforts to mitigate the effect of the event of force majeure upon its or their performance of the contract and to fulfill its or their obligations under the contract.
- C. An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the obligation to pay money in a timely manner which matured prior to the occurrence of that event.
- D. The Contractor has no entitlement and FW has no liability for: (1) any costs, losses, expenses, damages or the payment of any part of the contract price during an event of force majeure; and (2) any delay costs in any way incurred by the contractor due to an event of force majeure.

3.35 Survival of Terms

Upon discharge of this Agreement, Sections (Notice, Hold Harmless, Warranties, Governing Law/Forum, Contractual Disputes) of these Terms and Conditions continue and survive in full force and effect.

3.36 Non-Waiver

No waiver of any provision of this Agreement shall constitute a waiver of any other provision nor shall any waiver of this Agreement constitute a continuing waiver unless otherwise expressly provided.

3.37 Contractor's Compliance and Safety Program

The Contractor shall have a written safety program that complies with all applicable federal, state, and local safety programs, regulations, standards, and codes. Personal Protective Equipment (PPE), including hardhats, safety vests, and safety toed footwear must be provided and worn by all Contractor personnel on the FW property yards.

3.38 Contractual Disputes *

- A. Contractual claims, whether for money or for other relief, will be submitted in writing not later than 60 days after final payment; provided however, that written notice of the Contractor's intention to file such claim must:
1. Be delivered to the attention of FW's Procurement Representative assigned to this contract at the address shown on the cover sheet of this RFP, not later than five days after the occurrence or of the beginning of the Work upon which the claim is based; and
 2. Contain a reasonably detailed description of the basis of the claim otherwise the claim will be deemed to have been waived. FW will make a written decision upon any such claim within 60 days after submittal of the claim. The Consultant will not institute legal action prior to receipt of FW's decision on the claim unless FW fails to render such decision within 90 days after submittal of the claim. The decision of FW will be final, unless the Consultant initiates legal action as provided in Section 2.2-4364 of the Virginia Code. Failure of FW to render a decision within 90 days will not result in the Consultant being awarded the relief claimed, nor will it result in any other relief or penalty. The sole result of FW's failure to render a decision within the time allotted will be the Consultant's right to immediately institute legal action. No administrative appeals procedure pursuant to Section 2.2-4365 of the Virginia Code has been established for contractual claims under this Agreement.
- B. No claim of any nature will be made against FW by or on behalf of a subcontractor unless the Consultant has first: (a) evaluated such claim thoroughly and determined it to be meritorious; (b) issued a written notice to the subcontractor finding the subcontractor's claim to be meritorious and setting forth any additional compensation or additional days to be paid or granted to the subcontractor on account of such claim; and (c) paid the subcontractor in full for such claim. In presenting such a claim, the Consultant will provide FW with a copy of the written notice to the subcontractor and with evidence of payment in full of the subcontractor's claim. No such claim will exceed the amount actually paid to the subcontractor.

3.39 Priority Customer

By submitting a Bid in response to this solicitation, Bidder understands and acknowledges that FW provides services that are essential to the health and welfare of the public. To the extent that the Contractor must prioritize and/or allocate services among its customers, the requirements of FW will be honored before service is provided to a customer with no obligations with regard to the public health and welfare.

4.0 COMPENSATION

Compensation shall be in accordance with the Unit Prices listed in the Pricing Table below. Contractor acknowledges that the unit price is the fully loaded rate and includes all costs associated with the performance of the contracted service (i.e. insurance, labor rate, vehicle cost, etc.). Contractor also acknowledges that all quantities referenced in the original solicitation, IFB 19-91, are estimates based upon current operations and projected demand for this first contract year and shall not be construed to represent an amount to which FW shall be obligated to purchase. FW will only be responsible for the amounts actually purchased.
