

RFI 24-245
Non-Professional Services for Cathodic Protection Systems

8570 EXECUTIVE PARK AVENUE
FAIRFAX, VIRGINIA 22031

Date Issued: September 20, 2024

To: All Prospective Respondents

Issued by: Daniel W. Gardner, CPPB, VCA, Procurement Specialist I

Subject: Addendum No. 1, to RFI 24-245 – Non-Professional Services for Cathodic Protection Systems

The purpose of Addendum No. 1 is to answer the following questions received by the deadline.

Questions	Answers
The RFI specifies “testing and cleaning of all impressed current cathodic protection systems, including controls, meters, contacts, and connections” and “maintenance of both ground water tanks and elevated water tanks for cathodic protection systems.” Does this work include major repairs, such as replacing entire rectifiers?	Major repair would be covered under bid items with materials contract pricing arrangements reference § 2.2-4331.
Does Fairfax Water require any additional certifications beyond AMPP Cathodic Protection (ie. CP2, CP3, CP4) certifications for this work?	FW requests information and recommendations from Respondents regarding any additional certifications beyond AMPP Cathodic Protection (ie. CP2, CP3, CP4).

Acknowledgement

Acknowledge your receipt of, and compliance with, this Addendum by either signing the attached acknowledgement page, or referencing its receipt and your compliance, in your Response.
