Agreement

This Cash Management Master Agreement is by and between Bank and Customer. This Cash Management Master Agreement shall be and is hereby incorporated by reference into and forms part of the "Contract" between the parties, the terms of which include: (1) the Request for Proposal for Banking Services (RFP 20-026) for Fairfax County Water Authority dated April 21, 2020 (the "RFP"); (2) the Bank's Proposal for Banking Services for Fairfax County Water Authority dated May 29, 2020 (the "Proposal"); and (3) this Cash Management Master Agreement (the "CMMA"). The Parties agree that any ambiguity, conflict or inconsistency in the foregoing documents that together constitute the Contract shall be resolved in the following order: (1) the CMMA; (2) the Proposal and (3) the RFP.

Bank agrees to provide to Customer and Customer agrees to use certain Cash Management Services (as defined above) offered and approved by Bank for Customer's use. Bank and Customer agree that the Cash Management Services will be governed by the general terms and conditions of the Contract, including the rules and procedures applicable to each of the Services (collectively, the "Rules"). The Rules are contained in the Appendices to this Agreement, and are hereby incorporated in and made a part of this Agreement.

The following terms and conditions are applicable to all Cash Management Services provided to Customer hereunder.

1. Definitions. Capitalized terms used in this Agreement and in any Appendix, unless otherwise defined herein or therein, shall have the meanings set forth below:

"Access Devices" means collectively all security, identification and authentication mechanisms, including, without limitation, security codes or tokens, PINs, electronic identities or signatures, encryption keys and/or individual passwords associated with or necessary for Customer's access to and use of any Cash Management Services.

"Account" means an Account, as such term is defined in the Account Agreement, used in connection with any Cash Management Services.

"Account Agreement" means the Business Deposit Account Agreement issued by Bank and governing Customer's deposit relationship with Bank, as the same may be amended from time to time.

"Affiliate(s)" means, with respect to any party, any company controlled by, under the control of, or under common control with such party.

"Amended Appendix" means an amendment to an Appendix that supplements or revises, but does not revoke in its entirety, a prior Appendix for a particular Service.

"Appendix" means a description of the rules and procedures applicable to a particular Service to be provided by Bank to Customer. Each such Appendix, including any Amended Appendix, is incorporated herein by reference and made a part hereof, and all references herein to Agreement shall be deemed to include all Appendices unless otherwise expressly provided. If there is any conflict between the provisions of this Agreement and any Appendix or Amended Appendix, the Appendix or Amended Appendix shall govern, but only to the extent reasonably necessary to resolve such conflict.

"Authorized Representative" means a person designated by Customer as an individual authorized to act on behalf of Customer with respect to certain matters and/or authorized to access and use the Services, as evidenced by certified copies of resolutions from Customer's board of directors or other governing body, if any, or other certificate or evidence of authority satisfactory to Bank, including, without limitation, any Customer enrollment or Setup Form(s) completed by Customer.

"Bank Internet System" means Bank's Internet-based electronic information delivery and transaction initiation system, as may be offered by Bank from time to time, including but not limited to Bank's eTreasury Services.

"Business Day" has the meaning given to it in the Account Agreement.

"Calendar Day" has the meaning given to it in the Account Agreement.

"Primary Account" means the Account designated by Customer to which any direct Service fees due Bank may be charged in accordance with this Agreement. Unless otherwise agreed upon in writing by Bank, the address for Customer associated with the Primary Account shall be the address to which all notices and other communications concerning the Services may be sent by Bank.

"Substitute Check" has the meaning given to it in Section 3(16) of the *Check Clearing for the 21st Century Act* ("Check 21"), P.L. 108-100, 12 U.S.C. § 5002(16).

2. The Services.

2.1 Bank shall provide to Customer, subject to this Agreement and the applicable Appendix, all Cash Management Services that Customer may request and that Bank may approve from time to time. Bank shall not be required to provide any Services specified in an Appendix unless Customer also provides all information reasonably required by Bank to provide to Customer the Service(s) specified therein.

2.2 Customer, through its Authorized Representative, may use the Services solely in accordance with the terms and conditions of this Agreement and the related Appendices.

2.3 With the exception of scheduled off-peak downtime periods, Bank shall make all reasonable efforts to make the Services available to Customer each Business Day.

2.4 Access to on-line or Internet-based Services may be denied for various reasons, including if invalid Access Devices are used or if the user exceeds the number of invalid attempts allowed by Bank.

2.5 Customer is authorized to use the Services only for the purposes and in the manner contemplated by this Agreement.

2.6 Customer agrees to cooperate with Bank, as Bank may reasonably request, in conjunction with the performance of the Services.

2.7 Customer agrees to comply with the Rules, as they may be amended from time to time by Bank.

2.8 A number of Bank's Services are subject to processing cut-off times on a Business Day. Customer can obtain information on Bank's current cut-off time(s) for Service(s) by reviewing the relevant Service's Setup Form(s), as applicable, or by calling Treasury Management Services Support at 1-866-475-7262, or by contacting Customer's Treasury Management Services Representative. Instructions received after a cut-off time or on a day other than a Business Day will generally be deemed received as of the next Business Day.

2.9 Except for the Service Fees (as further defined in Section 4.2 of this Agreement) and scope of included Services applicable to the Term of the Contract as further described in Section 14 of this Agreement, Bank may make changes to this Agreement and any Appendix at any time by providing notice to Customer in accordance with the terms of this Agreement or as may be required by applicable law. Notwithstanding anything to the contrary herein, any Appendix that provides for an alternative form and method for making changes to such Appendix and for providing notice of the same shall govern for that Service. Further, notwithstanding anything to the contrary in the Contract, if Bank believes immediate action is necessary for the security of Bank or Customer funds, Bank may immediately initiate changes to any security procedures associated with the Services and provide prompt subsequent notice thereof to Customer.

2.10 In connection with this Agreement and the Services, Customer agrees that it shall present, and Bank shall have a duty to process, only Substitute Checks that are created by financial institutions; provided, however, that this limitation shall not apply to Substitute Checks created with data from Customer pursuant to any Appendix for Services involving the creation of electronic check images using check conversion technology.

3. Covenants, Representations and Warranties.

3.1 Customer represents and warrants that the individual(s) executing this Agreement and any other agreements or documents associated with the Services has/have been authorized by all necessary Customer action to do so, to issue such instructions as may be necessary to carry out the purposes and intent of this Agreement and to enable Customer to receive each selected Service. Each Authorized Representative whom Customer permits to access and use the Services is duly authorized by all necessary action on the part of Customer to (i) access the Account(s) and use the Services; (ii) access any information related to any Account(s) to which the Authorized Representative has access; and (iii) engage in any transaction relating to any Account(s) to which the Authorized Representative has access.

3.2 Bank may unconditionally rely on the validity and accuracy of any communication or transaction

made, or purported to be made, by an Authorized Representative and in accordance with the terms of this Agreement.

3.3 Customer shall take all reasonable measures and exercise all reasonable precautions to prevent the unauthorized disclosure or use of all Access Devices associated with or necessary for Customer's use of the Services.

3.4 Customer is not a "consumer" as such term is defined in the regulations promulgated pursuant to the Gramm-Leach-Bliley Act, 15 U.S.C. § 6801 et seq., nor a legal representative of a "consumer."

3.5 Customer shall use the Services only for its own lawful business purposes. Customer shall not use the Services for or on behalf of any third party, except as may otherwise be approved by Bank in its sole and exclusive discretion, and as further described in Section 33. Customer shall take all reasonable measures and exercise reasonable precautions to ensure that Customer's officers, employees and Authorized Representatives do not use the Services for personal, family or household purposes, or for any other purpose not contemplated by this Agreement.

3.6 Customer agrees not to use or attempt to use the Services (a) to engage in any illegal purpose or activity or to violate any applicable law, rule or regulation, (b) to breach any contract or agreement by which Customer is bound, or (c) to engage in any Internet or online gambling transaction, whether or not gambling is legal in any applicable jurisdiction, or (d) to engage in any transaction or activity that is not specifically authorized and permitted by this Agreement. Customer acknowledges and agrees that Bank has no obligation to monitor Customer's use of the Services for transactions and activity that is impermissible or prohibited under the terms of this Agreement; provided, however, that Bank reserves the right to decline to execute any transaction or activity that Bank believes violates the terms of this Agreement.

3.7 Customer and Bank shall comply with (i) all applicable federal, state and local laws, regulations, rules and orders; (ii) the Account Agreement; (iii) all applicable National Automated Clearing House Association ("NACHA") rules, regulations, and policies; (iv) the Uniform Commercial Code; (v) Office of Foreign Asset Control ("OFAC") requirements; and (vi) all applicable laws, regulations and orders administered by the U.S. Department of the Treasury's Financial Crimes Enforcement Network ("FinCEN") (collectively (i) through (vi), "Compliance Laws").

4. Account Agreement; Service Fees.

4.1 Bank and Customer agree that any Account established by Customer in connection with Services offered by Bank shall be governed by the Account Agreement, including one or more fee schedules issued by Bank for the Account. If there is any conflict between the terms and provisions of this Agreement and the Account Agreement, the terms and provisions of this Agreement

shall govern, but only to the extent reasonably necessary to resolve such conflict.

4.2 During the Term of the Agreement, as described in Section 14, Customer agrees to compensate Bank for all Accounts and Services that Bank provides pursuant to this Agreement, any Appendices, and in accordance with the Proposal (the "Service Fees"). Any fees and charges associated with Accounts or Services that are not specified in the Contract shall be governed by Bank's standard schedule of fees and charges applicable to Accounts or Services generally. By signing below, Customer acknowledges receipt of the Account Agreement and acceptance of the Service Fees, and agrees to be bound by their terms.

4.3 Customer authorizes Bank to charge the Primary Account for all applicable charges and fees to the extent that such charges and fees are not offset by earnings credits or other allowances for Customer's Account(s). If the balance of available funds in the Primary Account is not sufficient to cover such fees, Bank may charge such fees to any other deposit Account maintained on Bank's records in Customer's name. Customer also agrees to pay all sales, use or other taxes (other than taxes based upon Bank's net income) that may be applicable to the Services provided by Bank hereunder.

4.4 During the Term of this Agreement, as described in Section 14, Bank may not amend Service Fee(s) associated with those Services provided by Bank in accordance with the Contract, unless by mutual written agreement of the parties. Bank acknowledges and agrees that the fees reflected in the Proposal, shall control and be in effect for the Term of this Agreement. Notwithstanding the foregoing, Bank may charge or amend Service Fee(s) associated with new or additional Services that Customer may request that are not included in the Services under the Contract, in accordance with any notice provided by Bank to all or substantially all of its other Cash Management Services customers.

5. **Customer Information.** Customer agrees to provide to Bank, before Bank begins providing any Services to Customer, any and all information required to comply with applicable law and Bank's policies and procedures relating to customer identification and authority. Such information may include, without limitation, official certificates of customer existence, copies of Customer formation agreements, business resolutions or equivalent documents, in a form acceptable to Bank authorizing Customer to enter into this Agreement and to receive Services from Bank pursuant hereto, and designating certain individuals as Customer's Authorized Representatives.

6. Software.

6.1 Bank may supply Customer with certain software owned by or licensed to Bank to be used by Customer in connection with the Services ("Software"). Customer agrees that all such Software is and shall remain

the sole property of Bank and/or the vendor of such Software. Customer agrees to comply with all of the terms and conditions of all license and other agreements which are provided to Customer by Bank and/or the Software vendor and/or which govern Customer's use of Software associated with the Services. Unless otherwise agreed in writing between Bank and Customer, Customer shall be responsible for the payment of all costs of installation of any Software provided to Customer in connection with the Services, as well as for selection, installation, maintenance and repair of all hardware required on Customer's premises for the successful operation of the Software.

6.2 Except as otherwise expressly prohibited or limited by applicable law, Customer shall indemnify, defend and hold harmless Bank, its successors and assigns, from and against any loss, damage or other claim or liability attributable to Customer's unauthorized distribution or disclosure of any Software provided with the Services or any other breach by Customer of any Software license. The provisions of this paragraph shall survive termination of this Agreement.

6.3 If a breach of this Section will cause immediate irreparable injury to Bank, Customer agrees that the Bank may apply to a court for preliminary injunctive relief, permanent injunctive relief and specific performance, but such application shall not abrogate Bank's right to proceed with an action in a court of competent jurisdiction in order to resolve the underlying dispute.

7. **Computer Requirements.** For certain Cash Management Services, Customer will need to provide, at Customer's own expense, a computer or similar Internet-enabled device, software and Internet or other connections and equipment as needed to access the Services (collectively, the "Computer"). Customer's Internet or other web browser software must support a minimum 128-bit SSL encryption or other security measures as Bank may specify from time to time. Customer's browser must be one that is certified and supported by Bank for optimal performance. Customer is responsible for the installation, maintenance and operation of the Computer and all related charges, including without limitation all Internet service provider, telephone and other similar charges incurred in connecting to the Services. Customer is responsible for installing and maintaining appropriate virus protection software on Customer's Computer. Bank recommends that Customer routinely scan the Computer using reliable virus protection products, and to remove any viruses found using such products. Bank is not responsible for any errors or failures caused by any malfunction of the Computer. Bank is not responsible for any Computer virus or related problems that may be associated with access to or use of the Services, any Software, the Computer or other Internet access, including but not limited to any virus, Trojan horse, worm, keystroke logger, rootkit, spyware, dishonest adware, crimeware or other malicious or unwanted software or related problems that may be associated with access to or use of the Services, any Software or the Computer. Bank also is not responsible for any losses or

delays in transmission of information Customer provides to Bank or otherwise arising out of or incurred in connection with the use of any Internet or other service provider providing Customer's connection to the Internet or any browser software. From time to time, Bank may require that Customer upgrade or install software to the Computer to ensure the proper operation of the Services. Customer agrees to promptly load any such upgrades or additional installations upon Bank's notice to Customer.

8. Bank Third Parties.

8.1 Customer acknowledges that certain third parties, agents or independent service providers (hereinafter "Third Parties") may, from time to time, provide services ("Third Party Services") to Bank in connection with Bank's provision of the Services to Customer and that accordingly, Bank's ability to provide the Services hereunder may be contingent upon the continuing availability of certain services from such Third Parties. Third Party Services may involve the processing and/or transmission of Customer's data, instructions (oral or written) and funds. In addition, Customer agrees that Bank may disclose Customer's financial information to such Third Parties (i) where it is necessary to provide the Services requested; (ii) in order to comply with laws, government agency rules or orders, court orders, subpoenas or other legal process or in order to give information to any government agency or official having legal authority to request such information; or (iii) when Customer gives its written permission.

8.2 Bank will be responsible for the acts and omissions of its Third Parties in the same manner as if Bank had performed that portion of the Services itself, and no claim may be brought by Customer against such Third Parties. Notwithstanding the foregoing, any claims against Bank (with respect to the acts or omissions of its Third Parties) or its Third Parties shall be subject to the limitations of liability set forth herein to the same extent as if Bank had performed that portion of the Services itself. However, Bank will not be deemed to be the agent of, or responsible for, the acts or omissions of any person (other than its Third Parties), and no such person shall be deemed Bank's agent.

9. Customer Communications; Security Procedures.

9.1 In providing the Services, Bank shall be entitled to rely upon the accuracy of all information and authorizations received from Customer or an Authorized Representative and, where applicable, the authenticity of any signatures purporting to be of Customer or an Authorized Representative. Customer agrees promptly to notify Bank of any changes to any information or authorizations provided to Bank in connection with the Services, and further agrees to promptly execute any new or additional documentation Bank reasonably deems necessary from time to time in order to continue to provide the Services to Customer.

9.2 Customer agrees that it shall be solely responsible for ensuring its compliance with any commercially reasonable security procedures established by Bank in connection with the Services, as such may be amended from time to time, and that Bank shall have no liability for any losses sustained by Customer as a result of a breach of security procedures if Bank has complied with the security procedures.

9.3 Bank shall be entitled to rely on any written list of Authorized Representatives provided to Bank by Customer until revoked or modified by Customer in writing. Customer agrees that Bank may refuse to comply with requests from any individual until Bank receives documentation reasonably satisfactory to it confirming the individual's authority. Bank shall be entitled to rely on any notice or other writing believed by it in good faith to be genuine and correct and to have been signed by an Authorized Representative. Bank may also accept verbal instructions from persons identifying themselves as an Authorized Representative, and Bank's only obligation to verify the identity of such person as an Authorized Representative shall be to call back such person at a telephone number(s) previously provided to Bank by Customer as part of the Account or Services' Setup Form(s). Bank may, but shall have no obligation to, call back an Authorized Representative other than the Authorized Representative from whom Bank purportedly received an instruction. Bank may, but shall have no obligation to, request additional confirmation, written or verbal, of an instruction received from an Authorized Representative via telephone at any time or for any reason whatsoever prior to executing the instruction. Bank may also in its discretion require the use of security codes for Authorized Representatives and/or for receiving instructions or items from Customer. Customer understands and agrees, and Customer shall advise each Authorized Representative that, Bank may, at Bank's option, record telephone conversations regarding instructions received from an Authorized Representative.

9.4 Any security procedures maintained by Bank are not intended to detect errors in the content of an instruction received from Customer or Customer's Authorized Representative. Any errors in an instruction from Customer or Customer's Authorized Representative shall be Customer's sole responsibility. Customer agrees that all security procedures described in this Agreement and applicable Appendix are commercially reasonable and that Bank may charge Customer's Account for any instruction that Bank executed in good faith and in conformity with the security procedures, whether or not the transfer is in fact authorized.

9.5 Customer agrees to adopt and implement its own commercially reasonable internal policies, procedures and systems to provide security to information being transmitted and to receive, store, transmit and destroy data or information in a secure manner to prevent loss, theft or unauthorized access to data or information ("Data Breaches"). Customer also agrees that it will promptly investigate any suspected Data Breaches and

monitor its systems regularly for unauthorized intrusions. Customer will provide timely and accurate notification to Bank of any Data Breaches when known or reasonably suspected by Customer and will take all reasonable measures, which may include, without limitation, retaining and/or utilizing competent forensic experts, to determine the scope of and data or transactions affected by any Data Breaches, and promptly providing all such information to Bank, subject to any limitation imposed on Customer by law enforcement or applicable law.

9.6 BANK'S SECURITY PROCEDURES ARE STRICTLY CONFIDENTIAL AND SHOULD BE DISCLOSED ONLY TO THOSE INDIVIDUALS WHO ARE REQUIRED TO KNOW THEM OR AS OTHERWISE PROVIDED BY LAW. IF A SECURITY PROCEDURE INVOLVES THE USE OF ACCESS DEVICES, THE CUSTOMER SHALL BE RESPONSIBLE TO SAFEGUARD THESE ACCESS DEVICES AND MAKE THEM AVAILABLE ONLY TO DESIGNATED INDIVIDUALS. CUSTOMER HAS THE SOLE RESPONSIBILITY TO INSTRUCT THOSE INDIVIDUALS THAT THEY MUST NOT DISCLOSE OR OTHERWISE MAKE AVAILABLE TO UNAUTHORIZED PERSONS THE SECURITY PROCEDURE OR ACCESS DEVICES. CUSTOMER HAS THE SOLE RESPONSIBILITY TO ESTABLISH AND MAINTAIN ITS OWN PROCEDURES TO ASSURE THE CONFIDENTIALITY OF ANY PROTECTED ACCESS TO THE SECURITY PROCEDURE.

10. **Fraud Detection / Deterrence; Positive Pay.** Bank offers certain products and services such as Positive Pay (with or without payee validation), ACH Positive Pay, and Account blocks and filters that are designed to detect and/or deter check, automated clearing house ("ACH") or other payment system fraud. While no product or service will be completely effective, Bank believes that the products and services it offers will reduce the likelihood that certain types of fraudulent items or transactions will be paid against Customer's Account. Failure to use such products or services could substantially increase the likelihood of fraud. Customer agrees that if, after being informed by Bank or after Bank otherwise makes information about such products or services available to Customer consistent with Section 27 of this Agreement, Customer declines or fails to implement and use any of these products or services, or fails to follow these and other Bank-identified or recommended precautions reasonable for Customer's particular circumstances, Customer will be precluded from asserting any claims against Bank for paying any unauthorized, altered, counterfeit or other fraudulent item that such product, service, or precaution was designed to detect or deter, and Bank will not be required to re-credit Customer's Account or otherwise have any liability for paying such items, except to the extent that Bank has failed to exercise the required standard of care under the Uniform Commercial Code.

11. Duty to Inspect. Customer is responsible for monitoring all Services provided by Bank, including each individual transaction processed by Bank, and notifying Bank of any errors or other problems within thirty (30) Calendar Days (or such longer period as may be required by applicable law) after Bank has made available to Customer any report, statement or other material containing or reflecting the error, including an Account analysis statement or on-line Account access. Except to the extent otherwise required by law, failure to notify Bank of an error or problem within such time will relieve Bank of any and all liability for interest upon correction of the error or problem (and for any loss from any subsequent transaction involving the same error or problem). In the event Customer fails to report such error or problem within thirty (30) Calendar Days after Bank made available such report, statement or on-line Account access, the transaction shall be deemed to have been properly authorized and executed, and Bank shall have no liability with respect to any error or problem. Customer agrees that its sole remedy in the event of an error in implementing any selection with the Services shall be to have Bank correct the error within a reasonable period of time after discovering or receiving notice of the error from Customer.

12. Overdrafts; Set-off. Bank may, but shall not be obligated to, complete any transaction in connection with providing the Services if there are insufficient available funds in Customer's Account(s) to complete the transaction. In the event any actions by Customer result in an overdraft in any of Customer's Accounts, including but not limited to Customer's failure to maintain sufficient balances in any of Customer's Accounts, Customer shall be responsible for repaying the overdraft immediately, without notice or demand. Bank has the right, in addition to all other rights and remedies available to it, to set off the unpaid balance of any amount owed it in connection with the Services against any debt owing to Customer by Bank, including, without limitation, any obligation under a repurchase agreement or any funds held at any time by Bank, whether collected or in the process of collection, or in any other Account maintained by Customer at, or evidenced by any certificate of deposit issued by, Bank. Except as otherwise expressly prohibited or limited by law, if any of Customer's Accounts become overdrawn, underfunded or for any reason contain a negative balance, then Bank shall have the right of set-off against all of Customer's Accounts and other property or deposit Accounts maintained at Bank, and Bank shall have the right to enforce its interests in collateral held by it to secure debts of Customer to Bank arising from notes or other indebtedness now or hereafter owing or existing under this Agreement, whether or not matured or liquidated.

13. Transaction Limits.

13.1 In the event that providing the Services to Customer results in unacceptable credit exposure or other risk to Bank, or will cause Bank to violate any law, regulation, rule or order to which it is subject, Bank may, in Bank's sole and exclusive discretion, without prior notice, limit Customer's transaction volume or dollar amount and

refuse to execute transactions that exceed any such limit, or Bank may terminate any Service then being provided to Customer. Bank will provide notice of such limits to Customer in accordance with the terms of this Agreement. Bank will communicate such limits to Customer as described in Section 13 to the extent that and in the same form and manner as Bank provides to all or substantially all of its Cash Management Service customers.

13.2 Customer shall, upon request by Bank from time to time, provide Bank with such financial information and statements and such other documentation as Bank reasonably determines to be necessary or appropriate showing Customer's financial condition, assets, liabilities, stockholder's equity, current income and surplus, and such other information regarding the financial condition of Customer as Bank may reasonably request to enable Bank to evaluate its exposure or risk. Any limits established by Bank hereunder shall be made in Bank's sole discretion and shall be communicated promptly to Customer.

14. Term and Termination.

14.1 This Agreement shall be effective when (i) signed by an Authorized Representative of Customer and accepted by Bank, and (ii) Customer delivers to Bank all documents and information, including any Setup Form(s) and electronic data, reasonably required by Bank prior to commencing to provide the Services or otherwise in accordance with the Contract, and shall terminate five (5) years from the date of this Agreement (the "Initial Term"). The parties may renew this Agreement by mutual written agreement for up to five additional one (1) year terms (each, a "Renewal Term" and together with the Initial Term, the "Term"). Bank will determine the adequacy of such documentation and information in its sole discretion and in accordance with standard banking industry practices as well as Bank's legal and regulatory requirements, policies, procedures and practices, and may refuse to provide the Services to Customer until adequate documentation and information are provided.

14.2 This Agreement shall continue in effect as described in Section 14.1, unless and until terminated by either party with sixty (60) Calendar Days' prior written notice to the other. Either party may terminate an Appendix in accordance with the provisions of this Section without terminating either this Agreement or any other Appendix. Upon termination of this Agreement or any Appendix, Customer shall, at its expense, return to Bank, in the same condition as when delivered to Customer, normal wear and tear excepted, all property belonging to Bank and all proprietary material delivered to Customer in connection with the terminated Service(s).

14.3 If an Appendix is terminated in accordance with this Agreement, Customer must contact Treasury Management Services Support for instructions regarding the cancellation of all future dated payments and transfers. Bank may continue to make payments and transfers and to perform other Services that Customer has

previously authorized or may subsequently authorize; however, Bank is not under any obligation to do so. Bank will not be liable if it chooses to make any payment or transfer or to perform any other Services that Customer has previously authorized or subsequently authorizes after an Appendix had terminated.

14.4 Notwithstanding the foregoing, Bank may, without prior notice, terminate this Agreement and/or terminate or suspend any Service(s) provided to Customer pursuant hereto (i) if Customer or Bank closes any Account established in connection with the Service(s) that is necessary for the ongoing use of the Service(s) or necessary for Bank to charge Service Fees, including, but not limited to, closure of the Primary Account, (ii) if Bank determines that Customer has failed to maintain a financial condition deemed reasonably satisfactory to Bank to minimize any credit or other risks to Bank in providing Services to Customer, including the commencement of a voluntary or involuntary proceeding under the United States Bankruptcy Code or other statute or regulation relating to bankruptcy or relief of debtors, (iii) in the event of a material breach or material breach of any representation or warranty by Customer, (iv) in the event of default by Customer in the payment of any sum owed by Customer to Bank hereunder or under any note or other agreement, as may be defined therein, (v) if there has been a seizure, attachment, or garnishment of Customer's Accounts, assets or properties, (vi) if Bank believes immediate action is necessary for the security of Bank or Customer funds or (vii) if Bank reasonably believes that the continued provision of Services in accordance with the terms of this Agreement or any Appendix would violate federal, state or local laws or regulations, or would subject Bank to unacceptable risk of loss. In the event of any termination hereunder, all fees due Bank under this Agreement as of the time of termination shall become immediately due and payable. Notwithstanding any termination, this Agreement shall remain in full force and effect with respect to all transactions initiated prior to such termination.

15. Limitation of Liability; Disclaimer of Warranties.

15.1 Customer acknowledges that Bank's willingness to provide the Services is based on the limitations and allocations of liability contained in this Agreement. Unless expressly prohibited or otherwise restricted by applicable law, the liability of Bank in connection with the Services will be limited to actual damages sustained by Customer and only to the extent such damages are a direct result of Bank's gross negligence, willful misconduct, or bad faith. In no event shall Bank be liable for any consequential, special, incidental, indirect, punitive or similar loss or damage that Customer may suffer or incur in connection with the Services, including, without limitation, attorneys' fees, lost earnings or profits and loss or damage from subsequent wrongful dishonor resulting from Bank's acts, regardless of whether the likelihood of such loss or damage was known by Bank and regardless of the basis, theory or nature of the action on which a claim is asserted. Unless expressly prohibited by

or otherwise restricted by applicable law, and without limiting the foregoing, Bank's aggregate liability to Customer for all losses, damages, and expenses incurred in connection with any single claim shall not exceed an amount equal to the monthly billing paid by, charged to or otherwise assessed against Customer for Services over the six (6) month-period immediately preceding the date on which the damage or injury giving rise to such claim is alleged to have occurred or such fewer number of preceding months as this Agreement has been in effect. Notwithstanding any of the foregoing, for transactions which are subject to Article 4A of the UCC, Bank shall be liable for such damages as may be required or provided under Article 4A or the Fedwire Regulations, as applicable, except as otherwise agreed in this Agreement. This Agreement is only between Bank and Customer, and Bank shall have no liability hereunder to any third party.

15.2 Except as otherwise expressly provided in Section 8 of this Agreement, Bank shall not be liable for any loss, damage or injury caused by any act or omission of any third party; for any charges imposed by any third party; or for any loss, damage or injury caused by any failure of the hardware or software utilized by a third party to provide Services to Customer.

15.3 Bank shall not be liable or responsible for damages incurred as a result of data supplied by Customer that is inaccurate, incomplete, not current, or lost in transmission. It is understood that Bank assumes no liability or responsibility for the inaccuracy, incompleteness or incorrectness of data as a result of such data having been supplied to Customer through data transmission.

15.4 Bank is not liable for failing to act sooner than required by any Appendix or applicable law. Bank also has no liability for failing to take action if Bank had discretion not to act.

15.5 Bank shall not be responsible for Customer's acts or omissions (including, without limitation, the amount, accuracy, timeliness of transmittal or due authorization of any entry, funds transfer order, or other instruction received from Customer) or the acts or omissions of any other person, including, without limitation, any Automated Clearing House processor, any Federal Reserve Bank, any financial institution or bank, any transmission or communication facility, any receiver or receiving depository financial institution, including, without limitation, the return of an entry or rejection of a funds transfer order by such receiver or receiving depository financial institutions, and no such person shall be deemed Bank's agent. Bank shall be excused from failing to transmit or delay in transmitting an entry or funds transfer order if such transmittal would result in Bank's having exceeded any limitation upon its intra-day net funds position established pursuant to Federal Reserve guidelines or otherwise violating any provision of any risk control program of the Federal Reserve or any rule or regulation of any other U.S. governmental regulatory authority. In no event shall Bank be liable for any damages resulting from Bank's action or inaction which is consistent

with regulations issued by the Board of Governors of the Federal Reserve System, operating circulars issued by a Federal Reserve Bank or general banking customs and usage. To the extent required by applicable laws, Bank will compensate Customer for loss of interest on funds as a direct result of Bank's failure to comply with such laws in executing electronic transfers of funds, if such failure was within Bank's control. Bank shall not be liable for Customer's attorney's fees in connection with any such claim.

15.6 EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, CUSTOMER EXPRESSLY AGREES THAT USE OF THE SERVICES IS AT CUSTOMER'S SOLE RISK, AND THE SERVICE IS PROVIDED "AS IS," AND BANK AND ITS SERVICE PROVIDERS AND AGENTS DO NOT MAKE, AND EXPRESSLY DISCLAIM ANY, WARRANTIES, EITHER EXPRESSED OR IMPLIED, WITH RESPECT TO THE SERVICES, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, OR NON-INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS, OR THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE, WITHOUT BREACHES OF SECURITY OR WITHOUT DELAYS. IN THOSE STATES THAT DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY, THE LIABILITY OF BANK AND ITS SERVICE PROVIDERS AND AGENTS IS LIMITED TO THE FULLEST POSSIBLE EXTENT PERMITTED BY LAW.

15.7 The provisions of this Section 15 shall survive termination of this Agreement.

16. Indemnification.

16.1 Except as otherwise expressly prohibited or limited by law, Customer shall indemnify and hold Bank harmless from any and all liabilities, losses, damages, costs, and expenses of any kind (including, without limitation, the reasonable fees and disbursements of counsel in connection with any investigative, administrative or judicial proceedings, whether or not Bank shall be designated a party thereto) which may be incurred by Bank due to any claim or action by any person, entity or other third-party against Bank to the extent such claim or action relates to or arises out of:

(i) except as otherwise expressly prohibited or limited by applicable law, any claim of any person that (a) Bank is responsible for any act or omission of Customer or (b) a Customer payment order contravenes or compromises the rights, title or interest of any third party, or contravenes any law, rule, regulation, ordinance, court order or other mandate or prohibition with the force or effect of law;

(ii) except as otherwise expressly prohibited or limited by applicable law, any failure by Customer to observe and perform properly all of its

obligations hereunder or any wrongful act of Customer or any of its Affiliates;

(iii) except as otherwise expressly prohibited or limited by applicable law, any breach by Customer of any of its warranties, representations or agreements;

(iv) except as otherwise expressly prohibited or limited by applicable law, any action taken by Bank in reasonable reliance upon information provided to Bank by Customer or any Affiliate or subsidiary of Customer; and

(v) except as otherwise expressly prohibited or limited by applicable law, any legal action that Bank responds to or initiates, including any interpleader action Bank commences, involving Customer or Customer's Account(s), including without limitation, any state or federal legal process, writ of attachment, execution, garnishment, tax levy or subpoena.

16.2 The provisions of this Section 16 shall survive termination of this Agreement.

17. RESERVED.

18. **Force Majeure.** Neither party shall bear responsibility for non-performance of this Agreement to the extent that such non-performance is caused by an event beyond that party's control, including, but not necessarily limited to, fire, casualty, breakdown in equipment or failure of telecommunications or data processing services, lockout, strike, unavoidable accident, act of God, riot, war or the enactment, issuance or operation of any adverse governmental law, ruling, regulation, order or decree, or an emergency that prevents Bank or Customer from operating normally.

19. **Documentation.** The parties acknowledge and agree that all documents evidencing, relating to or arising from the parties' relationship may be scanned or otherwise imaged and electronically stored and the originals (including manually signed originals) destroyed. The parties agree to treat such imaged documents as original documents and further agree that such reproductions and copies may be used and introduced as evidence at any legal proceedings including, without limitation, trials and arbitrations, relating to or arising under this Agreement.

20. **Entire Agreement.** Bank and Customer acknowledge and agree that the Contract and any amendments hereto, all other documents incorporated by reference therein, constitute the complete and exclusive statement of the agreement between them with respect to the Services, and supersede any prior oral or written understandings, representations, and agreements between the parties relating to the Services.

21. **Amendments.** Except for the Service Fees (as further defined in Section 4.2 of this Agreement) and scope of included Services applicable to the Term of the Contract,

Bank may, at any time, in accordance with any notice provided by Bank to all or substantially all of its other Cash Management Services customers, amend this Agreement, the Services or Appendices in its sole discretion and from time to time. Except as expressly provided otherwise in this Agreement, any such changes generally will be effective as provided in the notice to Customer as described below. Customer will be deemed to accept any such changes if Customer accesses or uses any of the Services after the date on which the change becomes effective. Customer will remain obligated under this Agreement and any Appendices, including without limitation, being obligated to pay all amounts owing thereunder, even if Bank amends this Agreement or any Appendices. Notwithstanding anything to the contrary in this Agreement, in any Appendix or the Contract, if Bank believes immediate action is necessary for the security of Bank or Customer funds, Bank may immediately initiate changes to any security procedures and provide prompt subsequent notice thereof to Customer. As set forth in Section 14.2, Customer may terminate this Agreement or any Appendix upon its receipt of any notice of change that is not acceptable to Customer.

22. Severability. If any provision of this Agreement shall be determined by a court of competent jurisdiction to be unenforceable as written, that provision shall be interpreted so as to achieve, to the extent permitted by applicable law, the purposes intended by the original provision, and the remaining provisions of this Agreement shall continue intact. In the event that any statute, regulation or government policy to which Bank is subject and that governs or affects the transactions contemplated by this Agreement, would invalidate or modify any portion of this Agreement, then this Agreement or any part thereof shall be deemed amended to the extent necessary to comply with such statute, regulation or policy, and Bank shall incur no liability to Customer as a result of Bank's compliance with such statute, regulation or policy.

23. Assignment and Delegation. Bank may assign any of its rights or delegate any of its responsibilities in whole or in part without notice to or consent from Customer. Customer may not assign, delegate or otherwise transfer its rights or responsibilities under this Agreement without Bank's prior written consent, which consent Bank may grant or withhold in its sole discretion.

24. Successors. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns.

25. Non-Waiver. No deviation from any of the terms and conditions set forth or incorporated in this Agreement shall constitute a waiver of any right or duty of either party, and the failure of either party to exercise any of its rights hereunder on any occasion shall not be deemed to be a waiver of such rights on any future occasion.

26. Governing Law. Any claim, controversy or dispute arising under or related to this Agreement shall be governed by and interpreted in accordance with federal law

and, to the extent not preempted or inconsistent therewith, by the laws of the Commonwealth of Virginia.

27. Notices.

27.1 Except as otherwise expressly provided in this Agreement, all notices that are required or permitted to be given by Customer (including all documents incorporated herein by reference) shall be sent by first class mail, postage prepaid, and addressed to Bank at the address provided to Customer in writing for that purpose. All such notices shall be effective upon receipt.

27.2 Customer authorizes Bank to, and Customer agrees that Bank may, send any notice or communication that Bank is required or permitted to give to Customer under this Agreement, including but not limited to notice of any change to the Services, this Agreement or any Appendix, to Customer's business mailing address or Customer's business e-mail address as it appears on Bank's records, or electronically by posting the notice on Bank's website, on an Account statement or via facsimile, and that any such notice or communication will be effective and deemed delivered when provided to Customer in such a manner. Customer agrees to notify Bank promptly about any change in Customer's business mailing or Customer's business e-mail address and acknowledges and agrees that no such change will be effective until Bank has had a reasonable opportunity to act upon such notice. Customer agrees that Bank may consider any such notice or communication as being given to all Account owners when such notice or communication is given to any one Account owner.

28. Jury Trial Waiver. BANK AND CUSTOMER EACH AGREE THAT NEITHER BANK NOR CUSTOMER SHALL (I) SEEK A JURY TRIAL IN ANY LAWSUIT, PROCEEDING, COUNTERCLAIM, OR ANY OTHER ACTION BASED UPON, OR ARISING OUT OF, THIS AGREEMENT OR ANY ACCOUNT OR THE DEALINGS OF THE RELATIONSHIP BETWEEN BANK AND CUSTOMER, OR (II) SEEK TO CONSOLIDATE ANY SUCH ACTION WITH ANOTHER IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THE PROVISIONS OF THIS SECTION SHALL BE SUBJECT TO NO EXCEPTIONS. NEITHER BANK NOR CUSTOMER HAS AGREED WITH OR REPRESENTED TO THE OTHER THAT THE PROVISIONS OF THIS SECTION WILL NOT BE FULLY ENFORCED IN ALL INSTANCES. BANK AND CUSTOMER EACH ACKNOWLEDGE THAT THIS WAIVER HAS BEEN KNOWINGLY AND VOLUNTARILY MADE. The provisions of this Section 28 shall survive termination of this Agreement.

29. Beneficiaries. This Agreement is for the benefit only of the undersigned parties hereto and is not intended to and shall not be construed as granting any rights to or otherwise benefiting any other person.

30. Recording of Communications. Customer and Bank agree that all telephone conversations or data transmissions between them or their agents made in connection with this Agreement and related to the Services may be recorded and retained by either party by use of any reasonable means, except as otherwise expressly prohibited or limited by applicable law.

31. Facsimile Signature. The parties acknowledge and agree that this Agreement and any Appendix or Amended Appendices may be executed and delivered by facsimile, and that a facsimile signature shall be treated as and have the same force and effect as an original signature. Notwithstanding the foregoing, Bank may, in its sole and exclusive discretion, also require Customer to deliver this Agreement and any Appendix or Amended Appendices with an original signature for its records.

32. Relationship. Customer and Bank are not, and Customer and Bank's licensors are not, partners, joint venturers or agents of each other as a result of this Agreement.

33. Third-Party Service Provider Activities.

33.1 Customer As a Third-Party Service Provider. Subject to Bank's prior approval and in its sole and exclusive discretion, Customer may be permitted to use one or more of the Services provided hereunder on behalf of and in conjunction with Accounts that belong to Customer's clients, who may or may not otherwise be customers of Bank, as well as on Customer's own behalf (hereinafter, when acting in such capacity, referred to as "Customer As Service Provider"). Customer shall execute any such other agreement(s) or documents as deemed necessary or appropriate by Bank prior to the initiation or continuation by Customer of any Services in such capacity. Customer agrees that Bank retains the right to reject any request by Customer to engage in Customer As Service Provider activities as well as any transactions initiated by Customer in such capacity, in Bank's sole discretion. In the event Bank approves Customer's use of the Services in the capacity of Customer As Service Provider, then the following shall also apply:

(a) Customer represents and warrants to Bank that each Customer client has given Customer authority to access and conduct transactions with respect to its Accounts through use of any of the Services to the same extent as if Customer owned them, including in the capacity of a "third party service provider;"

(b) each reference to "Customer" in the Agreement will be deemed to be a collective reference to Customer and each Customer client whose Accounts are included in Bank's implementation of Customer's set-up for the Services;

(c) all of the provisions set forth in the Agreement will apply to Customer client's Account(s) as if Customer owned them;

(d) each person who is authorized to act on Customer's behalf with respect to a Service is also authorized to act on Customer's behalf to the same extent with respect to the Accounts of each Customer client whose Accounts are included in Bank's implementation of Customer's set-up for that Service; and

(e) Customer shall be liable for all monetary, confidentiality and other obligations to Bank under this Agreement as they relate to Customer's use of the Services for itself as well as each such Customer client. Bank may require written confirmation from each Customer client that it has authorized Customer to include its Accounts in Bank's implementation of Customer's set-up for the Services, and Customer agrees to notify Bank immediately if that authority is revoked or changed.

33.2 Customer Engaging a Third-Party Service Provider. Subject to Bank's prior approval and in its sole and exclusive discretion, Customer may appoint a third-party service provider to act as Customer's agent to use one or more of the Services (hereinafter such third-party to be referred to as "Customer's Third-Party Service Provider"). In such event, all transactions received by Bank from Customer's Third-Party Service Provider are hereby authorized by Customer. All acts and omissions of Customer's Third-Party Service Provider shall be the acts, omissions and responsibility of Customer and shall be governed by the provisions of this Agreement. Customer agrees, jointly and severally with Customer's Third-Party Service Provider, and except as otherwise expressly prohibited or limited by applicable law, to indemnify and hold Bank harmless from any and all liabilities, losses, damages, costs and expenses of any kind (including, without limitation, the reasonable fees and disbursements of counsel in connection with any investigative, administrative or judicial proceedings, whether or not Bank shall be designated a party thereto) which may be incurred by Bank relating to or arising out of the acts or omissions of Customer's Third-Party Service Provider on behalf of Customer. Customer and Customer's Third-Party Service Provider shall execute any such other agreement(s) or documents as deemed necessary or appropriate by Bank prior to the initiation or any continuation by Customer's Third-Party Service Provider of any Services on Customer's behalf. Notice of any termination of Customer's Third-Party Service Provider's authority to use one or more of the Services on Customer's behalf shall be given to Bank in writing. The effective date of such termination shall be ten (10) Business Days after Bank receives written notice of such termination. Customer agrees that Bank retains the right to reject any transactions initiated by Customer's Third-Party Service Provider in its sole discretion.

34. Section Headings. The section headings used in this Agreement are only meant to organize this Agreement, and do not in any way limit or define Customer's or Bank's rights or obligations.

Agreement as they relate to Customer's use of the Services for itself as well as each such Customer client. Bank may require written confirmation from each Customer client that it has authorized Customer to include its Accounts in Bank's implementation of Customer's set-up for the Services, and Customer agrees to notify Bank immediately if that authority is revoked or changed.

35. **Confidentiality.** In further consideration of the terms of this Agreement, Customer expressly covenants and agrees that, effective as of its execution of this Agreement, subject to applicable law (including the Virginia Freedom of Information Act, § 2.2-3700 *et seq.* (the "VFOIA")), Customer will not disclose, nor authorize its agents or attorneys to disclose, directly or indirectly, orally or in writing, spontaneously or in response to inquiries from any entity or person, the terms of this Agreement, and any other document or agreement to which reference is made herein, except pursuant to the VFOIA, any order, summons or other legal process issued by any state or federal court, or any state, federal, municipal or other governmental agency, or as reasonably necessary to tax advisors, attorneys, accountants, and other

professionals, or as necessary to fulfill any contractual undertakings hereunder. Customer expressly recognizes that any unauthorized disclosure of information specified herein, or any threatened disclosure, would cause irreparable injury to Bank which may not be adequately compensated by damages. Accordingly, in the event of a breach or threatened breach of the provisions of Section 35 of this Agreement by Customer, Bank shall be entitled to an injunction restraining and prohibiting Customer from doing so or continuing to do so. Nothing herein shall be construed as prohibiting Bank from pursuing any other remedies available for such breach or threatened breach, including the recovery of damages. The restrictions set forth in this Section 35 shall not apply to information which (i) was, is or becomes public knowledge not in violation of this Section 35; (ii) is acquired by Customers from a third party lawfully possessing such information; or (iii) is disclosed in testimony, pleadings or papers filed by Bank in any judicial proceeding. Customer understands and agrees that this Section 35 is a material provision of this Agreement, that Bank would not have entered into this Agreement without such confidentiality obligations, and that any breach of this Section 35 shall be a material breach of this Agreement.

IN WITNESS WHEREOF, Customer and Bank have duly caused this Agreement, including all applicable Appendices, to be executed by an Authorized Representative.

All capitalized terms used herein without definition shall have the meanings given to them in the Agreement. Bank and Customer agree that, notwithstanding anything to the contrary contained in the Agreement, the following terms and provisions shall apply to the Agreement:

TERMS AND CONDITIONS

1. Section 26, "Governing Law," of the Agreement is hereby deleted in its entirety and replaced with the following:

26. Governing Law. Any claim, controversy or dispute arising under or related to this Agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Virginia, except where applicable federal law is controlling. In the event of a conflict between the provisions of this Agreement and any applicable law or regulation, this Agreement shall be deemed modified to the extent necessary to comply with such law or regulation.

2. The following new Section 35 is hereby added immediately after Section 34:

35. Additional Representations and Warranties. For purposes of this Section, "Governmental Unit" means: (A) any town, city, county or similar local governmental unit, including without limitation any school district or school administrative unit of any nature, water district, sewer district, sanitary district, housing authority, hospital district, municipal electric district or other political subdivision, agency, bureau, department or other instrumentality thereof, or similar quasi-governmental corporation or entity defined by applicable law; and (B) any state government or any agency, department, bureau, office or other instrumentality thereof.

(a) If Customer is a Governmental Unit of the type included in (A) above, Customer and the individual signing below represent, warrant and agree: (i) that this Agreement has been duly executed by the Treasurer, Finance Director, or other officer authorized by law with signatory authority to enter into banking services agreements; (ii) that this Agreement has been duly authorized and

approved by the governing body of Customer in accordance with applicable law; and, at Bank's request, as evidenced by the certification of the Secretary or other legal authority of the governing body and provided with this Agreement; (iii) that only persons authorized to disburse Customer funds from any Account will be enrolled as Authorized Users having access to wire transfer, ACH or Account transfer functions; (iv) that if this Agreement remains in effect for more than one budget year, upon request of Bank, Customer will ratify and provide evidence of the renewal of this Agreement in subsequent years; and (v) that this Agreement is the valid and binding obligation of Customer, enforceable against Customer in accordance with its terms.

(b) If Customer is a Governmental Unit of the type included in (B) above, Customer and the individual signing below represent, warrant and agree: (i) that this Agreement has been duly executed by a financial or other officer authorized by law with signatory authority to enter into banking services agreements on behalf of Customer; (ii) that this Agreement has been duly authorized by a senior or similar officer of Customer; (iii) that Customer has complied with all state laws and regulations, including any regulations or policies adopted by Customer with respect to electronic commerce in entering into and performing this Agreement and any related ACH or wire transfer service agreement; (iv) that only persons authorized to disburse Customer funds from any Account will be enrolled as Authorized Users having access to wire transfer, ACH or Account transfer functions; and (v) that this Agreement is the valid and binding obligation of Customer, enforceable against Customer in accordance with its terms.

(c) For a Customer of the type included in either (A) or (B) above, Customer and the individual signing below further represent, warrant and agree: (i) that upon Bank's request, Customer shall provide evidence of those persons authorized to disburse

Customer funds as described in (a)(iii) and (b)(iv) above; (ii) that upon Bank's request, Customer will certify its compliance with (a) or (b), as applicable, on an annual or other periodic basis; and (iii) that Customer will provide notice to Bank if any person authorized to disburse Customer funds as described in (a)(iii) and (b)(iv) is no longer so authorized or his/her position of such authority is terminated for any reason.

3. Effectiveness. Customer agrees to all the terms and conditions of this Exhibit. The liability of Bank under this Exhibit shall in all cases be subject to the provisions of the Cash Management Master Agreement, including, without limitation, any provisions thereof that exclude or limit warranties made by, damages payable by or remedies available from Bank. This Exhibit shall remain in full force and effect until such time as a different or amended Exhibit is accepted in writing by Bank or the Cash Management Master Agreement is terminated.

APPENDIX I

TD eTREASURY SERVICES

This Appendix is incorporated by reference into the parties' Cash Management Master Agreement and governs Customer's use of the Bank Internet System (the "Services" or "eTreasury"). All capitalized terms used herein without definition shall have the meanings given to them in the parties' Cash Management Master Agreement. Except as otherwise expressly provided in this Appendix, to the extent that this Appendix is inconsistent with the provisions of the Cash Management Master Agreement, this Appendix and any amendment hereto from time to time shall control, but only to the extent necessary to resolve such conflict.

TERMS AND CONDITIONS

1. Definitions.

"Account(s)" means, with respect to eTreasury, a checking, regular statement savings, money market deposit, certificate of deposit, investment or commercial loan or line of credit account(s) Customer maintains with Bank for business or non-consumer purposes that is designated by Customer for use with the Services, as described below.

"Account Agreement" means, in addition to the meaning contained in the parties' Cash Management Master Agreement, any and all agreements between Customer and Bank which govern Customer Accounts (as defined above) and which were provided to Customer when Customer opened its Account(s), or any other documents governing Customer's Account(s), each as may be amended from time to time.

"Administrator" or "Account Administrator" means Customer's employee(s) or other person(s) that Customer (or any Administrator designated by Customer) designates on the Services' Setup Form(s) (or by on-line changes to such designations as described below) as being its Authorized Representative, or as authorized to act on Customer's behalf, with respect to the Services.

"Authorized User" means any person Customer's Administrator designates as being authorized to access or use any of the Services on Customer's behalf.

"Login ID" means the electronic identification, in letters and numerals, assigned to Customer by Bank or to any additional Authorized Users designated by Customer's Account Administrator.

"Mobile Application" or "Mobile App" means the downloadable software application on a Mobile Device that Customer may use to perform certain electronic banking tasks in lieu of Customer's Computer.

"Mobile Device" means an eligible mobile communications device, which may include a mobile phone or a tablet.

"Payment" means a transfer of funds to or from Customer's Account(s).

2. Services.

2.1 This Appendix describes the terms and conditions under which Bank will provide Customer with access to and use of any of the electronic information delivery and transaction initiation services that Bank makes available using the Bank Internet System.

2.2 By accessing the Services via Customer's Computer with the Access Devices (as defined in the Cash Management Master Agreement), Customer may perform any or all of the Services described in this Appendix and selected for use in the Services' Setup Form(s) and that Bank has approved for Customer's use. Some of the Services described in this Appendix may also be available via Customer's Mobile Device using the Mobile App. Bank reserves the right to reject Customer's Services' Setup Form(s), schedules and other required documents and to refuse Customer access to or use of the Services for any reason and in Bank's sole discretion. Bank may, in its sole and exclusive discretion, introduce new features of the Services from time to time but is not required to notify Customer of the availability of any such new features.

2.3 By subscribing to the Services, Customer will have access to the Services' basic features, which include but may not be limited to, in Bank's sole and exclusive discretion, the following:

2.3.1 **Previous-Day Balance Reporting.** Previous-Day Balance Reporting allows Customer to review the balances and transaction history in Customer's checking, savings, money market deposit and loan Account(s) for such period of time as described in the Services' Setup Form(s). Customer may also view images of deposit tickets, deposit items, paid checks and return deposited items. This information may be viewed upon implementation of the Services. The scope of the time

periods for which transactional history and check images may be viewed (including pre-implementation periods) may vary and depend upon various factors, such as when Account(s) were opened and when the Services were first implemented and set-up.

2.3.2 Real-Time Balance Reporting. Real-Time Balance Reporting allows Customer to review current Account balance(s) and transaction activity in real-time.

2.3.3 Book Transfers. Book Transfers allows Customer to make intra-Bank fund transfers between Customer's checking, savings and loan Accounts.

2.3.3.1 General. Book Transfers may be made as one-time or recurring, same-day or in the future. Book Transfers may also be initiated from (i) one-Account-to-one-Account, (ii) one-Account-to-many-Accounts, or (iii) many-Accounts-to-one-Account. Recurring Book Transfers may utilize one of several repeating frequency options (weekly, monthly, etc.), as set forth in the Services. Book Transfer templates may be created and saved for frequently executed transfers. Pending Book Transfers and templates may be edited or deleted (cancelled) through the Services by Authorized Users at any time prior to the Business Day on which the associated transfer is scheduled to occur. Book Transfer amounts and the order in which such transfers occur are limited to the available balance in the Account(s) on the effective date of the transfer. For same-day transactions, Customer will need to have a sufficient available balance in the Account from which funds are to be transferred to cover the amount of the Book Transfer. For future or recurring Book Transfers, Customer will need to have sufficient available funds on the day the transaction is to occur. The number of Book Transfers from interest bearing checking and savings Accounts are subject to the terms of the Account Agreement and federal regulations. Book Transfers that Customer transmits by Bank's cut-off time as set forth on the Services' designated website or the Services' Setup Form(s) on a Business Day will be posted to the Account as of that Business Day; however, a request (whether a same-day funds transfer or a future-dated transfer) may not result in an immediate transfer of funds or immediate availability because of the time required to process the transaction. Customer is solely responsible for the review of the previous day's transaction report and the status of the Book Transfer request within the Services to ensure that the transaction was processed. Only Book Transfers initiated through the Services will be displayed on the Services' "Transfer" reports tab. All transfers are subject to the Account Agreement.

2.3.3.2 Future-Dated Book Transfer. In conjunction with Book Transfers, a request to transfer funds between Customer's Accounts may be initiated and approved for a future date. The future transfer date may be scheduled for such date in advance as may be permitted from time to time by Bank and as set forth within the Bank Internet System. Future-dated transfers may be scheduled as a one-time request or a recurring request in a pre-determined amount, based on the

instructions entered by Customer with the request. Future-dated Book Transfers will be initiated on the Business Day requested by Customer, not on the date Customer entered the transaction using the Services.

2.3.4 Stop Payment. Stop payments of checks drawn on Customer's Account(s) are subject to the terms and conditions of the Account Agreement. Notwithstanding anything in the Account Agreement to the contrary, Customer may use the Services to initiate stop payment orders for an individual check or a range of checks. Bank shall have no responsibility for losses resulting from any delay in Bank's receipt of stop payment orders transmitted by means of the Bank Internet System or for Customer not taking additional actions when a response message from the Bank Internet System indicates a response other than a successful confirmation. Customer must provide Bank with the **EXACT CHECK NUMBER OR RANGE OF CHECK NUMBERS**. When known, Customer should also provide the **EXACT AMOUNT OF THE CHECK**. If the check number is incorrect in any way or the amount of the check is inaccurate by one cent or more in the stop payment order, payment will not be stopped and Bank will not be responsible for resulting losses. All other information must be reasonably accurate. Requests are generally effective when successfully entered and submitted by Customer via the Services. Notwithstanding the foregoing, Customer understands that if the stop payment request comes too late for Bank to have a reasonable time to act on it prior to paying, settling for, posting or becoming accountable for the check described in the request, then Customer's stop payment request shall be of no effect. Stop payments requested using the Bank Internet System are effective for three hundred sixty-five (365) Calendar Days unless renewed before the end of the 365-day period. Customer is solely responsible for confirming the status of a stop payment order. Except as otherwise provided by Compliance Laws or the terms of the Cash Management Master Agreement, Customer shall not have the right to stop payment on or recall any electronic fund transfers or similar payment order or transfer request given hereunder after it has been transmitted to Bank. Only stop payment orders initiated or recalled through the Bank Internet System will be displayed on the Bank Internet System's Stop Payments screen. Stop payment orders that are not initiated through the Bank Internet System may also be cancelled through the Bank Internet System.

2.3.5 E-Learning. E-Learning is a self-paced, interactive educational tool available via the Services that Customer may use to learn more about the various features or modules related to the Services, as well as how to use them.

2.3.6 Customizable Dashboard. Using this feature, Customer can configure and save Account balance views, as well as command one-click access to detailed information, balance and payment reports, and high-use transaction initiation features. It is Customer's responsibility to view the "Dashboard" for Bank notices when designating another section of the Bank Internet System as the desired landing page.

2.4 In addition to the Services as described in this Appendix and/or in the Services' Setup Form(s), additional features, modules or other Cash Management Services related to eTreasury may be offered from time to time by Bank, in its sole and exclusive discretion, including but not limited to the following:

2.4.1 **Wire Transfers.** Wire transfers are subject to the terms and conditions of the TD Wire Transfer Services Appendix. Once approved by Bank for use by Customer, this Service allows Customer to transfer funds electronically using the Fedwire or similar funds transfer system, typically from Customer's Account(s) to other account(s) with Bank or to account(s) at other banks. Domestic or foreign wire transfers entered through the Services will be processed as set forth in the TD Wire Transfer Services Appendix.

2.4.2 **ACH Originations.** ACH originations are subject to the terms and conditions of the TD Automated Clearing House (ACH) Origination Appendix, the TD Third-Party Sender Services Appendix or the TD ACH Third Party Service Provider Agreement, as applicable. Once approved by Bank for use by Customer, this Service allows Customer to initiate and approve ACH transactions that Customer desires Bank to enter into the ACH network on Customer's behalf. ACH transactions entered through the Services will be processed and settled as set forth in the TD Automated Clearing House (ACH) Origination Appendix, the TD Third-Party Sender Services Appendix or the TD ACH Third Party Service Provider Agreement, as applicable.

2.4.3 **File Transfers.** File transfers is a method for Customer and Bank to send and receive reports and files (including, but not limited to, ACH, Reconciliation, Lockbox, and BAI files) to each other through the Internet and are subject to the terms and conditions of applicable Appendices. Such reports and files may also be auto-generated and auto-delivered.

2.5 Mobile App

2.5.1 The Mobile App may not be available on all types of Mobile Devices. Customer also acknowledges that the Services may not be available on Customer's Mobile Device or may have limited utility over some mobile networks, such as when roaming.

2.5.2 *Customer understands that standard data and text messaging rates charged by the telecommunications carrier providing service for Customer's Mobile Device will apply when Customer uses its Mobile Device to enroll in and use the Services.*

3. **Hours of Access.** Customer generally may access the Services 24 hours a day, seven (7) days a week. Customer may not be able to access some or all of the Services from time to time, however, during any special or other scheduled maintenance periods, or during emergencies, interruptions or delays due to causes beyond Bank's control.

4. Account Designation.

4.1 Customer may designate any of Customer's Accounts maintained with Bank for business or non-consumer purposes for use with the Services. Generally, the taxpayer identification number for each Account must be the same, and each Account is subject to the other conditions set forth in this Appendix, except as Bank, in its sole discretion, may otherwise permit. Bank reserves the right to deny any Account designation for use with the Services in its sole discretion.

4.2 Customer may at any time add or delete any Account that Customer has designated for use with any of the Services, or change the Services associated with any Account, by notifying Bank in writing.

5. Administrator(s) and Authorized Users.

5.1 Customer shall designate Administrator(s) with Bank as set forth in the Services' Setup Form(s). Customer is solely responsible for designating its Administrator(s).

5.2 The Administrator(s) may designate other Administrators and/or Authorized Users. Customer accepts as its sole responsibility the Administrator's designation of other Administrators and Authorized Users. Customer understands that the Administrator(s) will control, and Customer authorizes the Administrator(s) to control, access by other Administrators and Authorized Users of the Services through the issuance of Access Devices. The Administrator(s) may add, change or terminate Customer's Authorized User(s) from time to time and in his/her sole discretion. Bank does not control access by any of Customer's Authorized Users to any of the Services. If Customer designates more than one (1) Administrator, Bank recommends that Customer manage its use of the Services and its Administrators by requiring dual control to set up new Authorized Users. Bank also recommends that Customer review and assign limits for Authorized Users that create and/or approve wire transfers and ACH transactions, as established on the Services' Setup Form(s). In the event that Bank, in its sole and exclusive discretion, assists Customer in any way with the establishment, addition or general set-up of Authorized Users, Customer understands and agrees that the Administrator(s) shall remain responsible for verifying the accuracy thereof and shall otherwise control access by any of Customer's Authorized Users to any of the Services.

5.3 Customer will require each Administrator and each Authorized User to comply with all provisions of this Appendix and all other applicable agreements. Customer acknowledges and agrees that it is fully responsible for the failure of any Administrator or any Authorized User to so comply. Customer is responsible for any Payment, transfer and other use of the Services and charges incurred by any Administrator and any Authorized User, even if such Administrator or Authorized User exceeds his/her authorization. Bank recommends that Customer require its Administrator(s) to review all

entitlement reports available through the Services with respect to Customer's Authorized User(s).

5.4 Customer acknowledges and agrees that an Authorized User is not permitted to authorize other persons/entities to use its Access Devices. Notwithstanding the foregoing, if an Authorized User does authorize other persons/entities to use the Authorized User's Access Devices in any manner, such authorization will be considered by Bank as unlimited in amount and manner, and Customer is responsible for any transactions made by such persons/entities, until Customer's Administrator has deactivated the subject Authorized User's Access Devices. Bank will not be liable for and will not reimburse Customer for any losses that may occur as a result of this authorized use of an Authorized User's Access Devices.

5.5 Whenever any Authorized User leaves Customer's employ or Customer otherwise revokes the authority of any Authorized User to access or use the Services, the Administrator(s) are solely responsible for deactivating such Authorized User's Access Devices. Customer shall notify Bank in writing whenever a sole Customer Administrator leaves Customer's employ or Customer otherwise revokes a sole Administrator's authority to access or use the Services.

6. Access Devices; Security Procedures.

6.1 Upon successful enrollment, Customer can access the Services from Bank's designated website by using Customer's Computer, Mobile Device or, as may be permitted by Bank from time to time in its sole discretion and in accordance with Bank's terms and conditions for such access, using other mobile or other Internet-enabled system(s) or device(s), along with the Services' security procedures as described from time to time. A company ID assigned to Customer by Bank, a unique Login ID and an individual password will be used for log-in by Customer's Administrator(s) and Authorized User(s). The Administrator(s) and Authorized User(s) must change his or her individual password from time to time for security purposes.).

6.2 Customer acknowledges that the Administrator(s) will, and Customer authorizes the Administrator(s) to, select other Administrators and Authorized Users by issuing to any person a unique Login ID and password (subject to the additional security procedures described below). Customer further acknowledges that the Administrator(s) may, and Customer authorizes the Administrator(s) to, change or de-activate the unique Login ID and/or password from time to time and in his or her sole discretion (subject to the additional security procedures described below).

6.3 Customer acknowledges that, in addition to the above individual passwords, access to the Services includes, as part of the Access Devices, additional security procedures, including as described below:

6.3.1 **Tokens.** An additional security procedure incorporates use of a physical security device or token ("Token") for, by way of example only, initial log-in and/or certain transactional or administrative functionality. A Token may be issued to any Authorized User(s), for example, for use in initiating and/or approving ACH transactions and wire transfers, to log in to the Services, as well as with certain administrative functionality, and/or for the creation of ACH and wire templates. Physical security of each Token is Customer's sole responsibility. With the Token, each Authorized User will receive a PIN number that the Authorized User must keep in a secure place. When an Authorized User (or Administrator) leaves Customer's employ, his or her Login ID must be deleted by Customer (or by Bank upon Customer's request) and, if a Token had been issued to such Authorized User (or Administrator), Bank must be promptly notified so that Bank may deactivate such Authorized User's (or Administrator's) Token. Any additional Authorized User requiring a Token must be authorized, in writing by Customer to Bank, for Token creation or re-creation and deployment. If applicable, fees may be assessed for additional Tokens.

6.3.2 **Payment Status Alerts.** A further security procedure requires Customer to enroll in alerts for changes to payment status ("Payment Status Alerts") within the Bank Internet System. Customer must designate the Authorized User or Administrator that will receive the email alert each time a wire transfer or ACH transaction has a status of "Pending Approval" in the Bank Internet System. Bank strongly recommends that the Authorized User or Administrator to receive such Payment Status Alert is a different Authorized User or Administrator than who will approve the wire or ACH transaction.

6.3.2.1 Payment Status Alerts are not encrypted and will never include Customer's Access Devices or full Account number(s). However, Payment Status Alerts may include Customer's name and some information about Customer's Account(s). Anyone with access to Customer's email address on file with the Bank will be able to view the contents of such Payment Status Alerts. Customer agrees to test the successful receipt of the Payment Status Alerts to make sure they are not routed to the Customer's spam or other blocked mail folder. Bank is not responsible for how Customer's email system may deliver or categorize the Payment Status Alerts.

6.3.2.2 Customer acknowledges and agrees that Customer will not include full Account number(s) or other sensitive Customer or Account information in any customized subject line.

6.3.2.3 Customer understands and agrees that Customer's Payment Status Alerts may be delayed or prevented by a variety of factors. Bank will use commercially reasonable efforts to provide Payment Status Alerts in a timely manner with accurate information. Bank neither guarantees the delivery nor the accuracy of the contents of any Payment Status Alert. Customer also agrees that Bank shall not be liable for any delays, failure to

deliver, or misdirected delivery of any Payment Status Alert; for any errors in the content of an alert; or for any actions taken or not taken by Customer or any third party in reliance on a Payment Status Alert. Customer agrees that Bank is not responsible for any costs or fees incurred as a result of Payment Status Alerts sent to email addresses or phone numbers connected with mobile or similar devices.

6.3.2.4 Certain voluntary alerts are also available to the Customer as described in Section 9.2

6.3.34 **Dual Control.** Customer further acknowledges and agrees that all wire transfers and ACH transactions initiated through the Services require "dual control" or separation of duties. With this additional security feature, one Authorized User will create, edit, cancel, delete and restore ACH batches or wire transfer orders under his/her unique Login ID, password and Token; a second *different* Authorized User with his/her own unique Login ID, password and Token will be required to approve, release or delete ACH batches or wire transfer orders. Customer acknowledges and agrees that it must notify the Bank to designate the individuals that will serve as the first Authorized User and second Authorized User and notify the Bank to request any subsequent changes to these named individuals.

6.4 Customer accepts as its sole responsibility the selection, use, protection and maintenance of confidentiality of, and access to, the Access Devices. Customer agrees to take reasonable precautions to safeguard the Access Devices and keep them confidential. Customer agrees not to reveal the Access Devices to any unauthorized person. Customer further agrees to notify Treasury Management Services Support immediately at 1-866-475-7262 if Customer believes that the confidentiality of the Access Devices has been compromised in any manner.

6.5 The Access Devices identify and authenticate Customer (including the Administrator and Authorized Users) to Bank when Customer accesses or uses the Services. Customer authorizes Bank to rely on the Access Devices to identify Customer when Customer accesses or uses any of the Services, and as signature authorization for any Payment, transfer or other use of the Services. Customer acknowledges and agrees that Bank is authorized to act on any and all communications or instructions received using the Access Devices, where such communications were provided to Bank in accordance with the security procedures and other terms as set forth in the Cash Management Master Agreement, regardless of whether the communications or instructions are authorized. Bank owns the Access Devices, and Customer may not transfer them to any other person or entity.

6.6 Customer acknowledges and agrees that the Access Devices and other security procedures applicable to Customer's use of the Services and set forth in this Appendix, as well as such security best practices as described by Bank from time to time and made available on the Bank Internet System, are a commercially reasonable method for the purpose of verifying whether any Payment,

transfer or other use of the Services was initiated by Customer. Customer also agrees that any election Customer may make to change or waive any optional security procedures recommended by Bank is at Customer's risk and that any loss resulting in whole or in part from such change or waiver will be Customer's responsibility. Customer further acknowledges and agrees that the Access Devices are not intended, and that it is commercially reasonable that the Access Devices are not intended, to detect any errors relating to or arising out of a Payment, transfer or any other use of the Services.

6.7 If Customer has reason to believe that any Access Devices have been lost, stolen or used (or may be used) or that a Payment or other use of the Services has been or may be made with any Access Devices without Customer's permission, Customer must contact its Administrator and Bank. In no event will Bank be liable for any unauthorized transaction(s) that occurs with any Access Devices, where such communications or instructions were provided to Bank in accordance with the security procedures and other terms as set forth in the Cash Management Master Agreement.

6.8 Bank may, from time to time, propose additional or enhanced security procedures to Customer. Customer understands and agrees that if it declines to use any such additional or enhanced procedures, it will be liable for any losses that would have been prevented by such procedures. Notwithstanding anything else contained in this Appendix, if Bank believes immediate action is required for the security of Bank or Customer funds, Bank may initiate additional security procedures immediately and provide prompt subsequent notice thereof to Customer.

7. **Debiting Customer's Account(s).** Customer authorizes Bank to charge and automatically deduct the amount of any Payment from Customer's Account(s) (or any other Account that Customer maintains with Bank, if necessary), in accordance with the Cash Management Master Agreement and the Account Agreement.

8. **Electronic Statements.**

8.1 As an eTreasury user, and subject to Bank's approval and applicable set-up and enrollment requirements, Customer may elect to stop or resume the mailing of paper statements for eligible Accounts by requesting this feature from Bank.

8.2 Only Accounts accessible via the Services may be enrolled for electronic statement delivery. Eligible Accounts are displayed on the "Statements" page of the Services. If Customer currently receives a consolidated periodic statement that includes multiple Accounts and Customer selects electronic statement delivery, all Accounts shown on the consolidated statement will be automatically enrolled for electronic statement delivery. For joint Accounts, only one Account owner need enroll for electronic statement delivery; provided, that each Account owner must separately enroll if that Account owner wishes to receive and have access to its Account statements electronically.

8.3 Customer's electronic statement will generally be available within 24 hours after the statement cut-off date. The statement cut-off date for Customer's electronic statement is the same as Customer's paper statement. Once made available as described herein, the information contained in Customer's electronic statement shall be deemed to have been delivered to Customer personally, whether actually received or not. Customer may view, print and download current statements and such period of statement history as set forth on the Bank Internet System. To view or print an electronic statement, Customer must have an appropriate version of Adobe Acrobat software installed on Customer's Computer or Mobile Device sufficient to support access to a PDF file.

8.4 At Customer's request, Bank will send Customer a paper copy of Customer's electronic statement previously delivered through the Services at any time. Bank's standard fee then in effect and charged for paper delivery of copies of Account statements will apply. A request for a paper copy does not cause a termination of the electronic statement feature. A paper copy can be obtained until the copy is no longer required to be maintained by Bank as a record for the designated Account under applicable law or regulation.

8.5 Customer may revoke consent for the electronic statement feature for Customer's Accounts at any time by contacting Customer's Relationship Manager. Electronic posting of Customer's electronic statement on the Services' site and transmission of related email notices will continue until: (i) termination of the electronic statement feature; (ii) termination of Customer's designated Accounts with Bank; or (iii) termination of this Appendix, the Cash Management Master Agreement or Customer's use of the Services.

8.6 Bank may discontinue the electronic statements feature at any time in Bank's discretion and resume mailing paper statements to Customer. Bank may also add, modify or delete any feature of the electronic statements feature in Bank's discretion. Bank will provide Customer with notice of any change or termination in the electronic statement feature in accordance with the terms of the parties' Cash Management Master Agreement.

9. Voluntary Alerts.

9.1 The Services allow Customer to choose to receive additional optional alert messages regarding Customer's Account(s), including but not limited to messages to alert Customer about high or low Account balance thresholds, debit or credit transactions cleared, and payment status for ACH and wire transactions. Bank may add new alerts from time to time, or cancel existing alerts. If Customer has opted to receive an alert that is being canceled, Bank will notify Customer in accordance with the terms of the parties' Cash Management Master Agreement. Each alert has different options available, and Customer will be asked to select from among these options upon activation of Customer's alerts service.

9.1.1 Electronic alerts will be sent to the email address Customer has provided as Customer's primary email address for the Services or via the Services' secure messaging feature. If Customer's email address changes, Customer is responsible for informing Bank of the change. Customer can also choose to have alerts sent to a secondary email address. Changes to Customer's primary and secondary email addresses will apply to all of Customer's alerts.

9.1.2 Customer understands and agrees that Customer's alerts may be delayed or prevented by a variety of factors. Bank will use commercially reasonable efforts to provide alerts in a timely manner with accurate information. Bank neither guarantees the delivery nor the accuracy of the contents of any alert. Customer also agrees that Bank shall not be liable for any delays, failure to deliver, or misdirected delivery of any alert; for any errors in the content of an alert; or for any actions taken or not taken by Customer or any third party in reliance on an alert. Customer agrees that Bank is not responsible for any costs or fees incurred as a result of alerts sent to email addresses or phone numbers connected with mobile or similar devices.

9.1.3 Alerts are not encrypted and will never include Customer's Access Devices or full Account number(s). However, alerts may include Customer's name and some information about Customer's Accounts, depending upon which alert(s) Customer selects. Anyone with access to Customer's email address will be able to view the contents of these alerts.

9.1.4

10. Use of Financial Management (FM) Software. Use of the Services may be supplemented by use of certain FM software. Compatibility and functionality of the FM software with the Services may vary depending upon the FM software Customer is using, and Bank makes no representations or guarantees regarding use of the Services with Customer's FM software. Customer is responsible for obtaining and maintaining the FM software. Customer's use of the FM software is governed by the software license agreement(s) included with each software application. Customer must agree to the terms and conditions of the software license agreement(s) during the installation of the FM software on Customer's Computer. Customer is responsible for the correct set-up and installation of the FM software, as well as maintenance, updates and upgrades to the FM software and/or Customer's Computer. Bank will provide Customer with reasonable assistance, when requested, to enable Customer's use of the Services with FM software. Bank is not responsible for any problems related to the FM software itself, Customer's Computer or Customer's ability to connect using the FM software as described in this Appendix. Customer should verify all Account data obtained and any transactions that may be executed on Customer's Accounts using FM software, as applicable. Bank's records of transactions, instructions and communications regarding Customer's Accounts and use of the Services supersede any records stored or created on Customer's Computer through the use of FM software.

Customer is responsible for any and all obligations to any software vendor arising from Customer's use of that vendor's FM software. Customer acknowledges and agrees that the FM software versions supported by Bank for purposes of use with the Services shall be in accordance with the sunset policy of the FM software provider.

11. Additional Security Terms. In addition to the other terms of this Appendix and of the parties' Cash Management Master Agreement, Customer agrees not to disclose any proprietary information regarding the Services to any third party (except to Customer's Administrator(s) and Authorized User(s)). Customer acknowledges that there can be no guarantee of secure transmissions over the Internet and agrees to comply with any operating and commercially reasonable security procedures Bank may establish from time to time with respect to the Services. Customer will be denied access to the Services if Customer fails to comply with any of these procedures. Customer is responsible for reviewing the transaction reports Bank provides on-line and in Customer's monthly statements to detect unauthorized or suspicious transactions. In addition to any other provision hereof regarding authorization of transactions using the Services or in the parties' Cash Management Master Agreement, all transactions will be deemed to be authorized by Customer and to be correctly executed thirty (30) Calendar Days after Bank first provides Customer with a statement or online transaction report showing that transaction, unless Customer has provided written notice that the transaction was unauthorized or erroneously executed within that period. In order to minimize risk of loss, Customer agrees to cause its Administrator or designated Authorized User(s) to review the transaction audit log available with the Services to detect unauthorized or erroneous transactions not less frequently than once every five (5) Calendar Days.

12. Terminating this Appendix; Liability.

12.1 This Appendix may be terminated in accordance with the terms and conditions of the Cash Management Master Agreement.

12.2 The provisions of this Appendix relating to Customer's and Bank's liability and the disclaimer of warranties set forth in the Cash Management Master Agreement and incorporated herein by reference shall survive the termination of this Appendix.

13. Changes to the Services and this Appendix. Bank may change the Services and this Appendix (including any amendments hereto) in accordance with the terms and conditions of the Cash Management Master Agreement.

14. Notices. Notices required by this Appendix shall be provided in accordance with the terms and conditions of the Cash Management Master Agreement.

15. Effectiveness. Customer agrees to all the terms and conditions of this Appendix. The liability of Bank under this Appendix shall in all cases be subject to the provisions of the Cash Management Master Agreement, including, without limitation, any provisions thereof that exclude or limit warranties made by, damages payable by or remedies available from Bank. This Appendix replaces and supersedes all prior agreements on file with respect to the Services and shall remain in full force and effect until termination or such time as a different or amended Appendix is accepted in writing by Bank or the Cash Management Master Agreement is terminated.

APPENDIX II

TD ACH ORIGATION SERVICES

This Appendix is incorporated by reference into the parties' Cash Management Master Agreement and the parties' Bank Internet System Agreement, as applicable. This Appendix applies to all automated clearing house ("ACH") Services made available to Customer, in Customer's capacity as an Originator, by Bank, as an Originating Depository Financial Institution ("ODFI"). All capitalized terms used herein without definition shall have the meanings given to them in either the Cash Management Master Agreement or the *NACHA Rules* (as defined below), as applicable. Except as otherwise expressly provided in this Appendix, to the extent that this Appendix is inconsistent with the provisions of the Cash Management Master Agreement, this Appendix and any amendment hereto from time to time shall control, but only to the extent necessary to resolve such conflict.

TERMS AND CONDITIONS

1. **Services.** The ACH network is a funds transfer system which provides for the interbank clearing of electronic credit and debit Entries for participating financial institutions. The ACH system is governed by the National Automated Clearing House Association's ("NACHA") *Operating Rules and Operating Guidelines* (collectively the "*NACHA Rules*").

2. Customer Obligations.

2.1 Customer will comply and shall cause its employees, officers, directors, agents and its Authorized Representative(s) and Administrator(s) to comply with (i) the *NACHA Rules* as amended from time to time and (ii) any specifications, advisories, interim policies, or instructions related to ACH transactions issued, from time to time, by Bank, NACHA or any federal or state regulatory authorities. The duties of Customer set forth in this Appendix in no way limit the requirement that Customer comply with the *NACHA Rules*. Customer specifically adopts and makes to Bank all representations and warranties of an Originator under the *NACHA Rules*, including that Customer will not initiate Entries in violation of the laws of the United States. Customer has access to a copy of the *NACHA Rules* and acknowledges receipt of a copy. (The *NACHA Rules* may be obtained at NACHA's website at www.NACHA.org or by contacting NACHA directly at 703-561-1100.) Customer agrees to subscribe to receive revisions to the *NACHA Rules* directly from NACHA.

2.2 Customer will maintain a checking Account ("Settlement Account") at Bank with available balances as of the Effective Entry Date sufficient to offset any Entries submitted and against which any rejected or returned Entries may be credited or debited. Bank reserves the right, in its sole and exclusive discretion and at any time, to require ACH pre-funding of credit Entries requested by Customer, in accordance with the terms and conditions of any agreement between Bank and Customer relating to pre-funding of such Entries, including as otherwise set forth in this Appendix. Bank also reserves the right, in its sole and exclusive

discretion and at any time, to delayed settlement of debit Entries requested by Customer, in accordance with the terms and conditions of any agreement between Bank and Customer relating thereto.

2.3 Customer agrees from time to time, upon Bank's request and in accordance with this Appendix and the parties' Cash Management Master Agreement, to promptly provide Bank with information pertaining to Customer's financial condition as Bank may request, including without limitation, the name(s) of other financial institutions that Customer is using to originate Entries.

2.4 Nothing in this Appendix or any course of dealing between Customer and Bank (i) constitutes a commitment or obligation of Bank to lend money to Customer, (ii) obligates Bank to extend any credit to Customer, to make a loan to Customer or otherwise to advance funds to Customer to pay for any payment order contrary to Bank's published availability schedules and the settlement timing as reflected herein, and in such other documents and materials as may be provided to Customer by Bank with regard to the Services from time to time, (iii) constitutes a modification of this Appendix, the *NACHA Rules*, or the Security Procedures, or (iv) otherwise constitutes an agreement between Bank and Customer regardless of whatever practices and procedures Bank and Customer may use.

2.5 Customer is responsible for all tariffs, duties or taxes (excluding U.S. federal, state and local taxation of the income of Bank) that may be imposed by any government or governmental agency in connection with any payment order executed pursuant to this Appendix, including without limitation any international tariffs, duties or taxes related to international ACH Entries as further described in Section 6 below.

2.6 Customer shall be liable for all fines including without limitation any international fines related to international ACH Entries as further described in Section 6 below, that may be incurred by Bank that are attributable to Customer's failure to comply with (i) the *NACHA Rules*, or (ii) the laws, regulations and orders administered by the U.S., including without limitation, the U.S. Department of

the Treasury's Office of Foreign Assets Control ("OFAC") and the U.S. Department of the Treasury's Financial Crimes Enforcement Network ("FinCEN").

3. Risk Exposure Limits.

3.1 Bank will establish for Customer, in Bank's sole and exclusive discretion, a transactional "Credit Exposure Limit" and a "Debit Exposure Limit" ("Exposure Limit(s)"). Each Exposure Limit will be established as an aggregate limit over multiple Settlement Dates with other not-yet-settled transactions issued by Customer through any ACH application with Bank. The Exposure Limits are based on Customer's financial condition and anticipated or historical level(s) of Entry instructions with Bank. Bank will notify Customer of Customer's Exposure Limits prior to implementation of the Services.

3.2 Customer shall promptly notify Bank if Customer anticipates a significant increase or decrease in the dollar amount of any of its ACH transactions. Bank may, from time to time, in its sole discretion, change the amount of Customer's Exposure Limits. Bank may, on an annual or more frequent basis, in Bank's sole discretion, review Customer's Exposure Limits and make any adjustments to Customer's Exposure Limits that Bank may deem appropriate.

3.3 Bank monitors all Exposure Limits for every customer that originates ACH transactions. Bank may suspend or reject processing of any Entry instructions if such Entry exceeds Customer's Exposure Limit(s). Bank may, in its sole and exclusive discretion, but shall have no obligation, to elect to process occasional Entry instructions that would exceed Customer's Exposure Limit(s). If Customer's Entry instructions exceed its Exposure Limit(s), Bank may elect to process such instructions subject to there being sufficient available funds in the Settlement Account, or in any other Customer Account(s) authorized by Bank for ACH transaction purposes, for the total amount of all credit Entries submitted to Bank for processing. In such event, Bank may elect to reduce available funds in the Settlement Account, as well as place a hold on available funds in any other Customer Account(s) authorized by Bank for ACH transaction purposes to the extent necessary to cover the total amount of the ACH credit Entries, on the Business Day that Bank begins processing Customer's ACH file. Customer's Settlement Account will be debited on the effective Settlement Date of the file, simultaneously with removal of the hold on funds in the other Customer Account(s). Alternatively, if Customer's Entry instructions exceed Customer's Exposure Limit(s), Bank may elect to process such instructions and release a file against insufficient collected funds, subject to Customer promptly depositing collected funds in the Settlement Account in the form of a cash deposit, wire transfer, intra-bank fund transfer or loan advance to cover Customer's funding obligation.

4. File Transmission Methods; Addenda.

4.1 Customer may elect, in accordance with the Services' Setup Form(s), to transmit a NACHA-formatted file to Bank via the following methods, or via such other methods as Bank may permit from time to time in its sole and exclusive discretion:

4.1.1 **Bank Internet System Transmission.** Customer may transmit a NACHA-formatted file to Bank via the service described in the Bank Internet System Appendix. Customer agrees to the terms of the Bank Internet System Appendix and its related security procedures when initiating Entries as described therein.

4.1.2 **Direct Electronic Transmission.** Customer may transmit a NACHA-formatted file directly to Bank, as described in or as otherwise permitted by Bank's Appendix for Data Transmission Services. Connectivity between Bank and Customer must be established and successfully tested prior to live transactions.

4.2 **Electronic Data Interchange ("EDI").** EDI consists of the electronic movement of data between Customer and Bank in a structured, computer-retrievable data format that permits information to be transferred between a computer program at Customer's location and a computer program at Bank's location without re-keying. Customer and Bank may transmit between each other an ACH file that contains ACH Addenda which conform to the *NACHA Rules* via EDI, and as described in or as otherwise permitted by Bank's Appendix for Data Transmission Services. Bank will process and forward Addenda information along with financial transactions through the ACH network. Bank will, upon Customer's request, forward Addenda information to Customer within two (2) Business Days of Bank's receipt of such information.

5. Transmittal of Entries by Customer.

5.1 Customer will send file(s) of credit and debit Entries to Bank (i) with computer readable information; (ii) with an ACH file and format consistent with current NACHA file and Bank specifications; and (iii) on the medium as agreed by the parties and in accordance with the security procedures associated with that transmission medium. Customer agrees to initiate Entries described herein in accordance with the requirements of, and in compliance with its responsibilities, representations and warranties as an Originator under, the *NACHA Rules*.

5.2 With respect to any credit and debit Entries initiated and transmitted by Customer that involve consumers, Customer will comply with, each as may be amended from time to time: (i) all authorization, disclosure and other requirements of the *NACHA Rules* and (ii) all applicable federal and state laws and regulations, including, without limitation, any applicable requirements of Regulation E of the Consumer Financial Protection Bureau (or any successor entity who administers Regulation E) (hereinafter "Regulation E") and the Federal Electronic Funds Transfer Act.

5.3 Customer acknowledges the right of a consumer Receiver of an unauthorized debit Entry, as applicable and as described in the *NACHA Rules*, to obtain a refund of the funds debited from Receiver's account by such Receiver sending a written notice to Receiver's Receiving Depository Financial Institution ("RDFI") in accordance with the *NACHA Rules* (i.e., a Written Statement of Unauthorized Debit), and where such notification is received in time and in a manner that reasonably allows the RDFI to meet the deadline for transmitting a Return Entry as provided in the *NACHA Rules*. Customer also acknowledges the right of a corporate Receiver of a debit Entry, as applicable and as described in the *NACHA Rules*, to obtain a refund of the funds debited from such Receiver's account by such Receiver sending a notice to Receiver's RDFI within two (2) Business Days following the Settlement Date of the original Entry. Except as otherwise expressly prohibited or limited by applicable law, Customer indemnifies Bank against any such claim for a refund by any Receiver.

5.4 In accordance with this Appendix, Customer may use the Services to initiate and transmit credit and debit Entries with certain Standard Entry Class ("SEC") Codes. Authorized SEC Codes include PPD, PPD+, CCD, CCD+ and CTX. All other SEC Codes may be used with proper designation on the Services' Setup Form(s) and in accordance with additional instructions from and requirements by Bank, as applicable. Bank may also suspend or terminate Customer's use of one or more SEC Codes at any time in Bank's sole and exclusive discretion.

5.5 Bank may suspend Customer's use of one or more inactive ACH set-ups after 12 months of inactivity and subsequently terminate Customer's use of the inactive ACH set-up on one or more channels of delivery, after 16 months of inactivity. Non-use of ACH Origination for 16 months, may result in the termination and removal of the ACH Service.

6. International ACH Transactions ("IAT Entries").

6.1 An IAT Entry is a debit or credit Entry that is part of a payment transaction involving a Financial Agency located outside of the territorial borders of the United States, which is processed through the domestic ACH network, pursuant to the *NACHA Rules*, including the rules pertaining to International ACH Transactions. IAT Entries also include those that are funded directly by an incoming international wire or similar funding source. The *NACHA Rules* establish SEC Code "IAT" for all International ACH Transactions. Customer agrees to be bound by the *NACHA Rules* and all other statutes and regulations pertaining to IAT Entries, including all applicable OFAC and FinCEN rules and regulations associated with IAT Entries. Customer acknowledges that IAT Entries require additional mandatory information, according to special formatting requirements, in the computer record for such Entries within an ACH batch file. Customer expressly agrees to identify and properly initiate

all IAT Entries. Bank will facilitate IAT Entries to Receivers located in foreign countries approved by Bank and facilitated by the ACH or the Gateway Operator (hereinafter in this Section, collectively, "ACH Operator"). Bank will process each IAT Entry in accordance with (a) the laws and payment system rules and requirements of the receiving foreign country ("Foreign Country Rules"), (b) any agreement governing IAT Entries between Bank and the ACH Operator through which Bank processes the IAT Entry, the terms of which Bank communicates to Customer prior to Customer's use of the Services or from time thereafter, and (c) the *NACHA Rules*.

6.2 Customer acknowledges and agrees that IAT Entries may be subject to laws, regulations and restrictions of U.S. and foreign governments relating to foreign exchange transactions. Before initiating an IAT Entry, Customer agrees to understand and accept the Foreign Country Rules. An IAT Entry must be authorized by the Receiver. The form and content of the Receiver's authorization, including whether such authorization is oral, electronic or written, is governed by Foreign Country Rules. Customer assumes the risk of rejection of its Entries according to Foreign Country Rules. Bank and the ACH Operator. Customer expressly acknowledges and agrees that Outbound IAT Entries, once transmitted, are irrevocable and are subject to the Foreign Country Rules; furthermore, the time frames for return of an Entry are determined by the Foreign Country Rules and may exceed the sixty (60) day return window for consumer Entries defined by the U.S. ACH system and the *NACHA Rules*, as well as the return window for non-consumer Entries. Customer also agrees that IAT Entries may not be dishonored, reversed or settled upon a specific date, and that pre-notifications are not permitted with respect to IAT Entries involving certain foreign countries. To the extent not otherwise prohibited by law, in connection with IAT Entries, (1) Customer assumes the risk of all fluctuations in foreign exchange rates or availability, and (2) Customer assumes the risk of loss for creating any and all erroneous IAT Entries. Customer acknowledges and agrees that the processing, settlement and/or availability of such Entries may be delayed or suspended in the event that Bank determines that enhanced scrutiny or verification of such Entries is necessary under the *NACHA Rules* and/or applicable U.S. law. The ACH Operator through which Bank processes the IAT Entry, in its sole discretion, may also refuse to handle IAT Entries. Customer acknowledges that Bank shall have no liability for such delay or refusal.

6.3 In addition to the provisions of Section 22 of this Appendix, Customer makes the following additional representations and warranties with respect to any IAT Entry submitted by Customer or on Customer's behalf:

6.3.1 Customer is in compliance with U.S. law, including, but not limited to, Customer's obligations under programs administered by OFAC and FinCEN; and

6.3.2 The origination of an Outbound IAT Entry is in compliance with the Foreign Country Rules, including any requirements regarding authorization with respect to an IAT Entry.

6.4 Bank will not be liable for (a) any failure or delay by the ACH Operator, any intermediary financial institution, or the financial institution designated to receive the IAT Entry in the receiving country in processing or failing to process any IAT Entry that is transmitted to the receiving country, or (b) the acts or omissions by a third party, including without limitation, the delay or failure of any third party to process, credit or debit any IAT Entry. Bank is also not responsible for the transmission or settlement of IAT Entries on foreign holidays or other days on which foreign countries may not process Entries.

6.5 With respect to credit IAT Entries that Customer wishes to originate in the currency of a designated foreign government or intergovernmental organization ("Foreign Currency"), Bank will originate the IAT Entries in U.S. dollars ("USD") only. Once the Entry is transmitted by Bank to the ACH Operator, the ACH Operator will convert the amount to be transferred from USD to the Foreign Currency. If the financial institution designated to receive the funds does not pay the Receiver specified in the Entry, or if the Entry is subsequently determined to be erroneous, the ACH Operator will convert the amount to be returned from the Foreign Currency to USD. Bank will not be liable for any difference in the amount of the original Entry after it has been converted from the Foreign Currency to USD. Further, if Customer designates the currency to arrive at the receiving financial institution in Foreign Currency, and the designated Receiver account at the receiving financial institution is a USD account, Customer acknowledges that the receiving financial institution may: (1) elect to convert the currency back to USD and post the transfer to the Receiver's account accordingly, or (2) return the Entry, in which case the amount transferred is converted from Foreign Currency back to USD to post back to Customer's account. Customer assumes all foreign exchange risk associated with any of the foregoing.

7. Security Procedures.

7.1 Customer and Bank shall comply with the security procedures set forth or incorporated by reference in this Appendix, the Cash Management Master Agreement, the Bank Internet System Appendix, Data Transmission Services Appendix and/or associated documents provided by Bank, including without limitation the Services' Setup Form(s) (collectively the "Security Procedures"), with respect to Entries transmitted by Customer to Bank. Customer acknowledges and agrees the Security Procedures are a commercially reasonable method for the purpose of verifying the authenticity of Entries (or any request for cancellation or amendment thereof). Customer further acknowledges that the purpose of the Security Procedures is not to detect an error in the transmission or content of an Entry. No security procedures have been agreed upon between Bank and Customer for the detection of any such error.

7.2 Customer is strictly responsible for establishing, implementing, maintaining and (as appropriate) updating its own security procedures (a) to safeguard against

unauthorized transmissions, and (b) relating to the initiation, processing and storage of Entries. As required by the *NACHA Rules* with respect to the protection of ACH information (non-public information, including financial information of Receivers and Customer's customers, used to create, or contained within, an ACH Entry and any related addenda record), Customer shall ensure that its security policies, procedures and systems:

- Protect the confidentiality and integrity of the protected information,
- Protect against anticipated threats or hazards to the security or integrity of protected information until its destruction, and
- Protect against unauthorized use of protected information that could result in substantial harm to the Receiver/customer.
- Abide by all rules pertaining to commercially reasonable data security as prescribed within the *NACHA Rules*

Customer warrants to Bank that no individual will be allowed to initiate transfers in the absence of proper supervision and safeguards, and Customer agrees to take reasonable steps to maintain the confidentiality of the Security Procedures and any passwords, codes, security devices and related instructions Bank provides in connection with the Security Procedures. If Customer believes or suspects that any such information or instructions have been known or accessed by an unauthorized person, Customer agrees to notify Bank immediately by calling 1-866-475-7262, followed by written confirmation to TD Bank, N.A., Attn: Treasury Management Services Support, 6000 Atrium Way, Mt. Laurel, New Jersey, 08054. The occurrence of unauthorized access will not affect any transfers Bank makes in good faith prior to, and within a reasonable time period after, its receipt of such notification.

7.3 Bank may, from time to time, propose additional or enhanced security procedures to Customer. Customer understands and agrees that if it declines to use any such enhanced procedures, it will be liable for any losses that would have been prevented by such procedures. Notwithstanding anything else contained in this Appendix, if Bank believes immediate action is required for the security of Bank or Customer funds, Bank may initiate additional security procedures immediately and provide prompt subsequent notice thereof to Customer.

8. Compliance with Security Procedures.

8.1 If an Entry (or a request for cancellation or amendment of an Entry) received by Bank purports to have been transmitted or authorized by Customer, it will be deemed effective as Customer's Entry (or request), and Customer shall be obligated to pay Bank the amount of such Entry (or request) even though the Entry (or request) was not authorized by Customer, provided Bank acted in compliance with the Security Procedures.

8.2 If an Entry (or a request for cancellation or amendment of an Entry) received by Bank was transmitted or authorized by Customer, Customer shall

be obligated to pay the amount of the Entry as provided herein, whether or not Bank complied with the Security Procedures and whether or not that Entry was erroneous in any respect or that error would have been detected if Bank had complied with the Security Procedures.

9. Recording and Use of Communications. Customer and Bank agree that all telephone conversations or data transmissions between them or their agents made in connection with this Appendix may be electronically recorded and retained by either party by use of any reasonable means.

10. Processing, Transmittal and Settlement of Entries by Bank.

10.1 Bank will process, transmit and settle for credit and debit Entries initiated by Customer as provided in the *NACHA Rules* as in effect from time to time, and pursuant to this Appendix. Exclusive of "Same Day ACH Entries," which are described in Section 23 below, Bank will transmit such Entries as an ODFI to the ACH Operator by the deadline of the ACH Operator, provided such Entries are received by Bank prior to 8:00 p.m. Eastern Time ("ET") and the ACH Operator is open for business on such Business Day. Entries received after 8:00 p.m. ET will be deemed received the following Business Day. If the Effective Entry Date falls on a non-Business Day, final settlement will occur on the next Business Day. Customer may submit a NACHA-formatted file up to the time limit in advance of the Effective Entry Date as the Services permit, or as may otherwise be permitted by Bank under the terms of this Appendix. Customer will hold Bank harmless from all charges and liabilities that may be incurred as a result of the delivery of late Entries.

10.2 If the file of Entries is received other than in specified NACHA and Bank format, Customer will be required to provide Bank with a corrected file. If a corrected file of Entries is received later than 8:00 p.m. ET on the delivery date with an intended Effective Entry Date of next-Business Day, Customer will hold Bank harmless from all charges and liabilities that may be incurred as a result of the processing of late Entries.

10.3 For purposes of this Appendix, Entries shall be deemed received by Bank, in the case of electronic file transmission, when the transmission is completed as set forth in Bank's Appendix for Data Transmission Services and/or the Services' Setup Form(s).

10.4 If any of the requirements of this Section 10 (or of Section 23 with respect to Same Day ACH Entries) are not met, Bank shall use reasonable efforts to transmit such Entries to the ACH Operator by the next deposit deadline on which the ACH Operator is open for business. Any stale dated Effective Entry Date, may result in "Same Day ACH Entries".

11. On-Us Entries. Except as otherwise provided herein, in the case of an Entry received for credit or debit to an account maintained by Bank (an "On-Us Entry"), Bank will credit or debit the Receiver's account in the amount of such Entry on the Effective Entry Date, provided the

requirements set forth herein are otherwise met. If those requirements are not met, by reason of stale or same-day Effective Entry Dates on such Entries, Bank will credit or debit the Receiver's account in the amount of such Entry on the date the Entry was received by Bank, or if the Entry was received on a non-Business Day, Bank will credit or debit the Receiver's account in the amount of such Entry on the next Banking Day following the date the Entry was received by Bank. Bank will have the right to reject an On-Us Entry as described in Section 12, *Returned or Rejected Entries*. In the case of an On-Us Entry, Bank will have all rights of an RDFI including, without limitation, the rights set forth in *NACHA Rules*.

12. Returned or Rejected Entries.

12.1 In the event any Entry is returned or rejected by the ACH Operator or any RDFI or Intermediary Depository Financial Institution, it shall be the responsibility of Customer to (i) remake and resubmit such Entry, (ii) with respect to an ACH Debit Entry, enroll in Bank's Auto-Redeposit service or (iii) otherwise resolve the returned Entry in accordance with the *NACHA Rules*.

12.2 Bank shall remake such Entry in any case where rejection by the ACH Operator was due to mishandling of such Entry by Bank and sufficient data is available to Bank to permit it to remake such Entry. In all other instances, Bank's responsibility will be to receive rejected or returned Entries from the ACH Operator, perform necessary processing, control and settlement functions, and to forward such Entries to Customer. Except for an Entry retransmitted by Customer in accordance with the requirements of Section 5, *Transmittal of Entries by Customer*, or the enrollment in Bank's Auto-Redeposit service for ACH Debit Entries, Bank shall have no obligation to retransmit a returned Entry to the ACH Operator if Bank complied with the terms of this Appendix with respect to the original Entry.

12.3 Bank may reject any Entry which does not comply with the requirements of Section 5, *Transmittal of Entries by Customer*, or Section 7, *Security Procedures*. Bank may also reject any Entry which contains a future Settlement Date that exceeds the limits set forth within the Services. Bank may reject an On-Us Entry for any reason for which an Entry may be returned under the *NACHA Rules*. Bank may reject any Entry or file if Customer has failed to comply with its Settlement Account balance obligations under Section 2, *Customer Obligations*, or Customer's Exposure Limit under Section 3, *Risk Exposure Limits*. Notices of rejection shall be effective when given. Bank shall have no liability to Customer by reasons of the rejection of any such Entry or the fact that such notice is not given at an earlier time than that provided for herein. Bank may monitor Customer's rejected or returned Entries. Bank reserves the right, in its sole and exclusive discretion, to require Customer to establish a reserve Account in the event that an excessive number of Customer's debit Entries are rejected or returned.

12.4 In accordance with *NACHA Rules*, Bank may monitor returned Entries, and in its sole discretion, may: (1) require Customer to lower its return rates, (2) invoke

premium penalty fees for unauthorized or excessive return rates, and/or (3) invoke termination or suspension of the Services and/or this Appendix in conjunction with Section 31 of this Appendix.

12.5 In Bank's sole discretion, and upon Customer request, Bank may enroll eligible customers in the ACH Auto-Redeposit service for ACH debit origination. The service automates Customers redeposit of eligible returns due to insufficient funds (R01) and uncollected funds (R09), one or two additional times, within nine (9) calendar days as selected by Customer at the time of enrollment in the service. Customer will receive notice of each return attempt and be responsible for any associated fees. Customer's account will be setoff for the amount of the returned Debit Entry after the final attempt to Auto-Redeposit the Entry is determined by Bank to be unsuccessful.

13. **Cancellation or Amendment by Customer.** Customer shall have no right to cancel or amend any Entry or file after its receipt by Bank. However, if such request complies with the Security Procedures applicable to the cancellation of data, Bank shall use reasonable efforts to act on a request by Customer for cancellation of an Entry prior to transmitting it to the ACH Operator, or in the case of an On-Us Entry, prior to crediting or debiting a Receiver's account, but Bank shall have no liability if such cancellation is not effected. Customer shall reimburse Bank for any expenses, losses, or damages Bank may incur in effecting or attempting to effect the cancellation or amendment of an Entry.

14. **Reversing Entries/Files.** If Customer discovers that any Entry or file Customer has initiated was in error, it may use the Services to correct the Entry or file by initiating a reversal or adjustment, or Customer may notify Bank of such error and Bank will utilize reasonable efforts on behalf of Customer, consistent with the *NACHA Rules*, to correct the Entry or file by initiating a reversal or adjustment of such Entry or file. In all such cases, it shall be the responsibility of Customer to notify the affected Receiver that an Entry or file has been made which is at variance with the authorization or is otherwise erroneous. Except as otherwise expressly prohibited or limited by applicable law, Customer indemnifies Bank against any claim by any Receiver that a reversing Entry or file requested by Customer is wrongful. Customer understands and acknowledges that certain RDFIs may not or cannot comply with such reversal and that, in such an event, Bank will debit Customer's Settlement Account in the amount of the provisional credit applied to the Settlement Account for such Entry or file.

15. **Notice of Returned Entries.** Bank will use reasonable efforts to notify Customer by electronic transmission of the receipt of a returned Entry from the ACH Operator no later than one (1) Business Day after the Business Day of such receipt. Except for an Entry re-transmitted by Customer in accordance with the requirements of Section 5, *Transmittal of Entries by Customer*, or the enrollment in Bank's Auto-Redeposit service for ACH Debit Entries, Bank shall have no obligation to re-transmit a returned Entry to the ACH

Operator if Bank complied with the terms of this Appendix with respect to the original Entry.

16. **Notifications of Change.** Bank will use reasonable efforts to notify Customer of each Notification of Change ("NOC") or Corrected Notification of Change ("Corrected NOC") received by Bank related to Entries transmitted by Customer within two (2) Business Days after receipt thereof. Customer shall ensure that changes requested by the NOC or Corrected NOC are made within six (6) Business Days of Customer's receipt of the NOC or Corrected NOC information from Bank or prior to initiating another Entry to the Receiver's account, whichever is later.

In the event that Customer has not updated the NOC, the Bank will undertake this correction on the Customer's behalf, before each subsequent Entry is placed into the Network, in order to be compliant with the *NACHA Rules*. Bank will access a fee for updating the NOC as outlined in the fee schedule.

17. **Pre-Notification and Rejection of Pre-Notification.** Bank recommends that, as permitted by the *NACHA Rules* or applicable law, Customer send pre-notifications at least three (3) Business Days prior to initiating an authorized Entry to a particular account in a format and medium approved by the *NACHA Rules*. Customer may also initiate a new pre-notification (i) when any changes are made to an account number, financial institution, or individual identification number or (ii) as otherwise stated in the *NACHA Rules*. Customer understands and acknowledges that once a pre-notification has been initiated using the Services, Customer will be restricted from initiating any Entry to such customer(s) for three (3) Business Days.

18. Participant Authorization for Entries.

18.1 To the extent required by the *NACHA Rules* or applicable law, Customer will obtain all consents and written authorizations for all Entries in accordance therewith. Such authorizations and any related disclosures shall be in a form that complies with (i) all requirements of the *NACHA Rules* and (ii) all applicable federal and state laws and regulations, as the same may be amended from time to time, including, without limitation, any applicable requirements of Regulation E, the Federal Electronic Funds Transfer Act, and sanctions enforced by OFAC. Customer shall obtain and maintain current information regarding OFAC enforced sanctions. (This information may be obtained directly from the OFAC Compliance Hotline at (800) 540-OFAC or by visiting the OFAC website at www.ustreas.gov/ofac.) Each Entry will be made according to such authorization and shall comply with the *NACHA Rules*. No Entry will be initiated by Customer after such authorization has been revoked or the arrangement between Customer and such Receiver or other party has terminated.

18.2 Customer shall retain all consents and authorizations for the period required by the *NACHA Rules*. Customer will furnish to Receiver, or to Bank upon its request, an original or a copy of an authorization as required under or for any purpose required by the *NACHA*

Rules. No investigation or verification procedure undertaken by Bank shall be deemed to limit or waive Customer's obligations under this Section.

19. Re-initiation of Entries. Customer may not re-initiate Entries except as prescribed by the *NACHA Rules*.

20. Payment by Customer for Entries; Payment by Bank for Entries.

20.1 Except as may otherwise be agreed by Bank in its sole and exclusive discretion, Customer shall pay Bank the amount of each credit Entry transmitted by Bank pursuant to this Appendix at such time on the date of transmittal by Bank of such credit Entry as Bank, in its discretion, may determine.

20.2 Customer shall promptly pay Bank the amount of each debit Entry returned by an RDFI pursuant to this Appendix.

20.3 Bank will pay Customer the amount of each debit Entry transmitted by Bank pursuant to this Appendix at such time on the Settlement Date with respect to such debit Entry as Bank, in its discretion, may determine, and the amount of each On-Us Entry at such time on the Effective Entry Date as Bank, in its discretion, may determine.

20.4 Bank will use reasonable efforts to promptly pay Customer the amount of each credit Entry returned by an RDFI that was transmitted by Bank pursuant to this Appendix.

20.5 Customer acknowledges and agrees that any failure of Customer to make payment to Bank as described in this Section may constitute an event of default under any other agreement for credit that Customer or any of Customer's Affiliates has with Bank or any Affiliate of Bank. Customer further acknowledges and agrees to execute and deliver any further documents and instruments as Bank may require to effectuate the cross-default contemplated hereby.

21. Third-Party Service Provider; Third-Party Sender Activities.

21.1 Subject to Bank's prior approval and in its sole and exclusive discretion, Customer may appoint a third party to act as Customer's agent to process Entries on Customer's behalf and for purposes of the services provided hereunder ("Third-Party Service Provider"), as set forth in the Services' Setup Form(s). All data received by Bank from Third-Party Service Provider, including Entries and instructions (and corrections or adjustments thereto), are hereby authorized by Customer. All acts and omissions of Third-Party Service Provider shall be the acts, omissions and responsibility of Customer and shall be governed by the provisions of this Appendix. Customer agrees, except as otherwise expressly prohibited or limited by applicable law, jointly and severally with Third-Party Service Provider, to indemnify and hold Bank harmless from any and all liabilities, losses, damages, costs and expenses of

any kind (including, without limitation, the reasonable fees and disbursements of counsel in connection with any investigative, administrative or judicial proceedings, whether or not Bank shall be designated a party thereto) which may be incurred by Bank relating to or arising out of the acts or omissions of Third-Party Service Provider on behalf of Customer. Customer and Third-Party Service Provider shall execute any such other agreement(s) or documents as deemed necessary or appropriate by Bank prior to the initiation or continuation by Third-Party Service Provider of any services on Customer's behalf, including without limitation Bank's Third-Party Service Provider Agreement, as the same may be modified by Bank from time to time. Notice of any termination of Third-Party Service Provider's authority to transmit data and instructions to Bank on Customer's behalf shall be given to Bank in writing. The effective date of such termination shall be ten (10) Business Days after Bank receives written notice of such termination. Customer agrees that Bank retains the right to reject any Third-Party Service Provider and any Entries initiated by Customer's Third-Party Service Provider in its sole discretion.

21.2 Customer may not use the services provided hereunder to process Entries on behalf of Customer's clients (defined as a "Third-Party Sender" under the *NACHA Rules*), except where Customer has formally requested to engage in such activity in advance and where Bank has provided its prior approval, which Bank may grant or withhold in its sole and exclusive discretion. In the event Bank approves of such use, Customer shall execute such other agreement(s) or documents as deemed necessary or appropriate by Bank prior to the initiation or continuation by Customer of any ACH services in the capacity of a Third-Party Sender. Customer agrees that Bank retains the right to reject any request by Customer to engage in Third-Party Sender activities as well as any Entries initiated by Customer in such capacity, in Bank's sole discretion.

22. Customer Representations and Agreements; Indemnity. In addition to Customer representations, agreements and warranties otherwise described in this Appendix, Customer further represents and warrants to Bank and agrees, with respect to each and every Entry transmitted by Customer or any Third-Party Service Provider on Customer's behalf, that:

(i) Each person shown as the Receiver of an Entry received by Bank from Customer has authorized the initiation of such Entry and the crediting or debiting of its account in the amount and on the Effective Entry Date shown on such Entry;

(ii) Such authorization is operative at the time of transmittal or crediting or debiting by Bank as provided herein;

(iii) Entries transmitted to Bank by Customer are limited as set forth in Sections 3 and 5;

Except as otherwise expressly prohibited or limited by applicable law, Customer shall indemnify and hold Bank harmless from any loss, liability or expense (including reasonable attorneys' fees and costs) resulting from or arising out of any breach of the foregoing warranties, representations or agreements. Except as otherwise expressly prohibited or limited by applicable law, Customer shall also indemnify and hold Bank harmless from any claim of any person that Bank is responsible for any acts or omissions of Customer regarding any Entry received from Customer, or those of any other person related thereto, including, without limitation, any Federal Reserve Bank, ACH Operator or transmission or communications facility, any Receiver or RDFI.

23. Same Day ACH ("SDA"). Upon the effective date of the changes to the *NACHA Rules* enabling the same-day processing of certain ACH payments (the "SDA Rule"), Customer may be permitted, in Bank's sole and exclusive discretion, to initiate SDA Entries. In the event Bank approves Customer's initiation of SDA Entries, either on a one time or other periodic basis, Customer agrees as follows:

23.1 Customer shall be solely responsible for transmitting its SDA Entries with the appropriate intended Effective Entry Date to qualify as an SDA Entry under the *NACHA Rules*.

23.2 Customer shall only initiate individual Entries that comply with the transaction limit per SDA Entry, as provided in the *NACHA Rules*.

23.3 Customer will not initiate an SDA Entry as an IAT, as IATs are not eligible for same-day processing under the *NACHA Rules*.

23.4 Customer will transmit its SDA Entries to Bank in accordance with Bank's SDA Entry processing deadlines, as established by Bank from time to time and disclosed to Customer.

23.5 Customer acknowledges and agrees that if Customer sends an Entry with a stale or invalid Effective Entry Date, such Entry may be deemed and processed by Bank as an SDA Entry if transmitted in accordance with Bank's SDA Entry processing deadlines.

23.6 Customer acknowledges and agrees that if any of the requirements of this Section 23 are not met, including without limitation a failure by Customer to meet Bank's or the ACH Operator's deadline for SDA, Bank shall use reasonable efforts to transmit such Entries to the ACH Operator by the next available processing deadline on which the ACH Operator is open for business.

23.7 Customer further acknowledges that Bank will not consider the content of the Company Descriptive Date indicator when determining Customer's intent for processing and settlement of SDA Entries.

23.8 Customer will not initiate SDA Entries that are otherwise ineligible for SDA Entry processing and settlement in accordance with the *NACHA Rules*.

23.9 Customer otherwise agrees to and will comply with all other requirements under the *NACHA Rules* and by Bank with respect to SDA Entries, including as the same may be amended from time to time.

23.11 Except as otherwise expressly prohibited or limited by applicable law, Customer will indemnify and hold Bank harmless from any intended SDA Entry not meeting the ACH Operator deadline due to Customer delays, or due to Bank processing delays that are beyond Bank's reasonable control.

24. Inconsistency of Name and Account Number. Customer acknowledges and agrees that if an Entry describes a Receiver inconsistently by name and account number, then (i) payment of such Entry transmitted to an RDFI may be made by the RDFI (or by Bank for an On-Us Entry) on the basis of the account number, even if it identifies a person different from the named Receiver and (ii) Customer's obligation to pay the amount of Entry to Bank is not excused in such circumstances. Similarly, if an Entry describes an RDFI inconsistently by name and routing number, payment of such Entry may be made based on the routing number, and Customer shall be liable to pay that Entry.

25. Banks Unable to Accept ACH Transactions. If Customer submits an Entry to Bank relating to an RDFI which is not a participant in the ACH, then (i) Bank may reject such Entry and use reasonable efforts to notify Customer of such rejection or (ii) if Bank does not reject such Entry, upon receiving a return transaction related to the Entry from the ACH Operator, Bank may offset the Settlement Account and notify Customer of such transaction.

26. Notices, Instructions, Etc.

26.1 Except as otherwise expressly provided herein, Bank shall not be required to act upon any notice or instruction received from Customer or any other person, or to provide any notice or advice to Customer or any other person with respect to any matter.

27. Data Retention. Customer shall retain data on file adequate to permit remaking of Entries for five (5)

Business Days following the date of their transmittal by Bank as provided herein and shall provide such data to Bank upon request. Without limiting the generality of the foregoing provision, Customer specifically agrees to be bound by and comply with all applicable provisions of the *NACHA Rules* regarding the retention of documents or any record, including, without limitation, Customer's responsibilities to retain all items, source documents and records of authorization, in accordance with the *NACHA Rules*.

28. Data Breaches.

28.1 Customer agrees that it will adopt and implement commercially reasonable policies, procedures and systems to provide security as to the information being transmitted and to receive, store, transmit and destroy data or information in a secure manner to prevent loss, theft, or unauthorized access to data or information ("Data Breaches"), including but not limited to, Consumer-Level ACH Data.

28.2 Customer agrees that it will promptly investigate any suspected Data Breaches and monitor its systems regularly for unauthorized intrusions.

28.3 Customer will provide timely and accurate notification to Bank by calling 1-866-475-7262 with regard to any Data Breaches when known or reasonably suspected by Customer, including but not limited to, Data Breaches to Consumer-Level ACH Data, and will take all reasonable measures, including, without limitation, retaining computer forensic experts, to determine the scope of any data or transactions affected by any Data Breaches, providing all such determinations to Bank.

29. **Audit.** Bank has the right to periodically audit Customer's compliance with the *NACHA Rules*, U.S. law and Bank policies, including, but not limited to, this Appendix.

30. **Records.** All electronic or other files, Entries, Security Procedures and related records used by Bank for transactions contemplated by this Appendix shall be and remain Bank's property. Bank may, in its sole discretion, make available such information upon Customer's request. Any expenses incurred by Bank in making such information available to Customer shall be paid by Customer.

31. **Termination.** The parties may terminate this Appendix in accordance with the terms and conditions of the parties' Cash Management Master Agreement. In addition, if Customer breaches the *NACHA Rules* or causes Bank to breach the *NACHA Rules*, this Appendix may be terminated or suspended by Bank upon ten (10) Business Days' notice, or such shorter period as may be provided in the parties' Cash Management Master Agreement. Any termination of this Appendix shall not affect any of Bank's rights and Customer's obligations with respect to Entries initiated by Customer prior to termination, the payment obligations of Customer with respect to services performed by Bank prior to termination, or any other obligations or provisions that by the nature of their terms survive termination of this Appendix, including without limitation Sections 2, 5, 10, 12, 13, 14, 18, 20, 21, 22, 27, 32, 33 and 34.

32. **Cooperation in Loss Recovery Efforts.** In the event of any damages for which Customer or Bank may be liable to the other or to a third party relative to the Services, both parties shall undertake reasonable efforts to cooperate with the other, as permitted by applicable law, in performing loss recovery efforts and in connection with any actions that Customer or Bank may be obligated to defend or elects to pursue against a third party.

33. **Governing Law.** In addition to the terms and conditions of the parties' Cash Management Master Agreement, the parties agree that if any payment order governed by this Appendix is part of a funds transfer subject to the federal Electronic Funds Transfer Act, then all actions and disputes as between Customer, or any Third-Party Service Provider acting on Customer's behalf, and Bank shall be governed by Article 4-A of the Uniform Commercial Code, as varied by this Appendix.

34. **Effectiveness.** Customer agrees to all the terms and conditions of this Appendix. The liability of Bank under this Appendix shall in all cases be subject to the provisions of the Cash Management Master Agreement, including, without limitation, any provisions thereof that exclude or limit warranties made by, damages payable by or remedies available from Bank. This Appendix replaces and supersedes all prior agreements on file with respect to the services described herein and shall remain in full force and effect until termination or such time as a different or amended Appendix is accepted in writing by Bank or the Cash Management Master Agreement is terminated.

APPENDIX VII

TD LOCKBOX SERVICES

This Appendix is incorporated by reference into the parties' Cash Management Master Agreement and applies to all TD Lockbox Retail and TD Lockbox Wholesale Services (the "Services") made available to Customer by Bank. All capitalized terms used herein without definition shall have the meanings given to them in the Cash Management Master Agreement. Except as otherwise expressly provided in this Appendix, to the extent that this Appendix is inconsistent with the provisions of the Cash Management Master Agreement, this Appendix and any amendment hereto from time to time shall control, but only to the extent necessary to resolve such conflict.

TERMS AND CONDITIONS

1. **Services.** The Services described in this Appendix provide Customer with a remittance or payment processing arrangement that offers an efficient method for the collection and processing of certain payment items payable to Customer, and the accompanying documents or information associated with such payment items. Through the Services, Bank receives, opens and processes checks and credit card payment authorizations (if authorized) for Customer, and the accompanying documents for such payments, that are addressed to Customer and delivered to U.S. Post Office Boxes or locations designated by Bank.

1.1 **Retail Lockbox.** The Services consolidate and expedite the automated processing of high volume, low dollar remittance payments received by Customer, as applicable, from its retail clients.

1.2 **Wholesale Lockbox.** The Services also consolidate and expedite the automated processing of low volume, large dollar remittance payments received by Customer, as applicable, from its vendors or other third parties.

2. Customer Obligations & Authorizations.

2.1 Customer will maintain an Account at Bank as the designated depository Account for the Services ("Designated Account"). Customer will maintain balances in the Designated Account or other Customer Account(s) sufficient to offset any returns for payments that cannot be deposited.

2.2 Customer authorizes Bank to establish United States Postal Service ("USPS") Caller Boxes (as such terms are defined by the USPS) (collectively, the "PO Box(es)" or "Lockbox(es)") at pre-determined postal facilities, or to utilize existing Customer-established PO Boxes, to collect payments and accompanying documents remitted for the benefit of Customer. If a Customer-established PO Box will be used for purposes of the Services, Customer is solely responsible for any and all charges related to the rental and use of the PO Box.

2.3 Customer agrees to provide Bank with unrestricted and exclusive access to Customer-established Lockbox location(s) and contents, and Bank has the sole right to process remittance materials contained therein.

2.4 Prior to deposit into the Designated Account, the Lockbox contents will not be available to Customer, except upon request to Bank, and only with Bank's consent.

2.5 Customer is responsible for instructing all of its clients about the requirements of the Services as they relate and apply to payments and accompanying documents remitted by those clients for the benefit of Customer.

2.6 Customer authorizes Bank to endorse all payments received by Bank with a standard lockbox endorsement used by Bank and without the signature of payee, date or payor name, and to deposit payments, including those with restrictive legends and endorsements, into Customer's Designated Account.

2.7 Bank may delegate all or a portion of its duties or rights regarding the Services and as set forth in this Appendix to Bank Third Parties (as defined in the Cash Management Master Agreement). Bank may change the Bank Third Parties to which it delegates these responsibilities in its sole and exclusive discretion.

3. Mail Collection and Processing.

3.1 **Mail Collection and Pre-Processing.** Bank shall collect the mail from Lockboxes in accordance with Bank's schedule, as such schedule may change from time to time. Bank will transport mail by courier to its processing location(s), open the mail containing checks, share drafts, money orders, credit card payment information (if authorized), invoices or other contents (hereinafter referred to collectively as "Lockbox Item(s)"). Bank will also accept overnight delivery packages as part of the Services, when the same are properly addressed to and receipt properly confirmed by Services' personnel at Bank's processing location(s), and will process the same in accordance with this Appendix. For each Lockbox Item

received, using ordinary care, Bank will date stamp, inspect and process the Lockbox Item as specified in the Services' Setup Form(s).

3.2 Item Processing. Lockbox Items will be processed according to the Account Agreement, except as modified by this Appendix.

3.2.1 Domestic Checks. Bank may accept for deposit to Customer's Account all items made payable to or endorsed by Customer as an individual payee or joint payee, regardless of whether those items bear Customer's endorsement, subject to Bank's verification and final inspection. Customer may also provide a list of acceptable payee(s) (an "Acceptable Payee") on the Services' Setup Form(s).

3.2.2 Foreign Checks. Foreign check deposits are processed in accordance with the Services' Setup Form(s). Checks drawn on U.S. banks in U.S. dollars will be deposited. Checks drawn in foreign currency (including Canadian checks in CAD) will be processed according to the Services' Setup Form(s).

3.2.3 Cash. Cash deposits are not accepted for processing under the Services. Customer shall advise its clients not to send currency or coin to the Lockbox. Bank is not responsible for cash intentionally sent to the Lockbox, but never processed. Notwithstanding the foregoing, in the event cash is received in the Lockbox, Bank will make a good faith effort to deposit cash into Customer's Designated Account and provide a control report regarding these items to Customer.

3.2.4 Credit Cards.

(a) Credit card payments may only be processed through the Lockboxes upon approval by Bank and execution by Customer of all required agreements and related documentation, including without limitation a merchant credit card processing services agreement ("Card Processing Agreement") and associated merchant account with Bank and/or another financial institution. Customer is responsible for complying with the terms of Customer's Card Processing Agreement, and with all applicable card network rules with respect to credit card payments.

(b) In order to be eligible for processing by Bank, written authorizations to charge payments due Customer to the payors' credit cards ("Charge Authorizations") must be received through the Lockboxes. A Charge

Authorization received in the Lockbox must contain the name of the account debtor, the account debtor's credit card number, expiration date, the three digit security code, and the amount of the payment authorized, all of which must be written or imprinted on the authorization form in a reasonably legible manner. If any one of these items of information is missing from a Charge Authorization, or is, in the sole judgement of Bank or its service provider, not sufficiently legible for processing purposes, the Charge Authorization will not be processed, and will be forwarded to Customer as set forth below.

(c) Bank will proceed to process for approval each Charge Authorization received in the Lockbox which contains the information required above and is otherwise eligible for processing. Bank will seek approval from the issuer of the applicable credit card for the payment transaction set forth on the Charge Authorization. Bank will submit for settlement each Charge Authorization approved in this manner.

(d) Credit card payments will be batched independently from regular payment items in the Lockbox. Following processing of Charge Authorizations for approval, Bank will segregate those Charge Authorizations which are approved from those Charge Authorizations which are declined. Reports will be sent to Customer regarding these deposits based on the Services' Setup Form(s).

3.2.5 Other Items. Items received from the Lockbox other than Lockbox Items or cash will be forwarded to Customer as unprocessed items. Except for its gross negligence or willful misconduct, Bank shall not be responsible for any claimed loss or disappearance of cash or other payments in bearer form.

3.2.6 Additional Terms.

(a) Customer guarantees to Bank the payment of all deposited items identified in this Section 3.2. Bank will return to Customer any payments that cannot be deposited. Lockbox Items with apparent alterations will not be deposited. Under no circumstances shall Bank be responsible or liable for identifying or failing to identify stale-dated and post-dated checks or checks specifying "payment in full" (or similar statements) in Customer's Lockbox Items, or for processing such items. Customer acknowledges that if checks specifying "payment in full" (or similar statements) are negotiated, that could adversely affect Customer's ability to collect any balance owed on the related liability. Customer understands and agrees that Bank makes no representation or warranty that it will

apply an endorsement intended to preserve Customer's rights to collect the full amount owed or that any endorsement that applies to a Lockbox Item will in fact preserve Customer's right to collect the full amount owed. Customer assumes all risks of negotiation of such items.

(b) Bank's receipt of Customer's mail hereunder shall not make Bank a bailee of the Lockbox Items. With respect to the Lockbox Items that are deposited and become part of the balance in Customer's Designated Account, Bank and Customer will have a debtor-creditor relationship as normally exists between a depository bank and its depositors. If Customer is a governmental entity, Customer agrees that, in performing the Services, Bank is not acting as an agent for the collection of taxes.

3.3 Remittance Transaction Processing.

3.3.1 Transactions processed as part of the Services are comprised of two separate documents: the remittance coupon, stub or invoice (hereinafter "Coupon(s)") and the drawer's payment. High-speed image-enabled devices capture Customer's retail remittance documents, including checks and Coupons. Transactions are captured using image-enabled capture devices that collect both financial and non-financial information. The actual document capture requirements are set forth in the Services' Setup Form(s).

3.3.2 Bank will process transactions with (i) one payment and one Coupon, (ii) multiple payments and/or multiple Coupons, and (iii) one or more payments and no Coupon, as specified in the Services' Setup Form(s). Bank will process remittance transactions as set forth in the Services' Setup Form(s).

3.3.3 To accomplish high-speed automated processing, Bank does not examine checks (including, without limitation, any inspection for missing signatures, dates, payees, or endorsements) except as the parties may otherwise be described in the Services' Setup Form(s). Customer agrees that Bank does not assume any responsibility or liability for its failure to discover and forward to Customer items bearing restrictive legends or endorsements (e.g., "paid in full," "final payment" or words of similar meaning). Bank will use a standard endorsement that will be considered Customer's payee endorsement.

3.3.4 Transaction totals are captured and balanced against individual check totals generated and with the Coupon (if applicable) supplied by Customer's client. Full check MICR line capture is supported during the capture process. Once balanced, transactions are released for deposit processing.

3.3.5 As part of the Services, wholesale payments will be imaged, and such payments may be re-associated with the Coupon (if enclosed), to the extent set forth in the Services' Setup Form(s).

4. Deposit Processing.

4.1 Bank prepares items for deposit into Customer's Designated Account. These deposited items are memo posted throughout the Business Day and reflect the amount of items processed. The credit and collection of these items are subject to the terms and conditions of the Account Agreement.

4.2 Bank reserves the right to not process any item received for deposit if Bank decides not to handle that item. If Bank makes this decision, Bank will forward the item to Customer for further handling.

4.3 Transactions processed after Bank's cut-off time or during a non-Business Day will be credited on the next Business Day, as set forth in the Services' Setup Form(s).

5. Insufficient Funds and Returned Items.

5.1 Bank may deduct the amount of an item deposited to the Designated Account or other Account if Bank receives notice that the item has not been paid and has been returned. Returned items are processed in accordance with the Services' Setup Form(s). Returned items that are not re-deposited, or that have been returned a second time, will be debited from the Designated Account or another Account at Bank, as set forth in the Services' Setup Form(s), even if Bank could have made a claim for reimbursement on the item from the bank on which the item was drawn or from another bank. Bank may charge an item against the Designated Account or other Account even if the charge results in an overdraft.

5.2 Bank may incur losses or expenses due to a delay in returning an unpaid item if the item's endorsement is obscured by other material on the back of the item. If an item is issued with material on the back (for example, a carbon band), Customer, except as otherwise expressly prohibited or limited by applicable law, agrees to indemnify Bank against any related losses and expenses, including any finance charges, legal fees and court costs incurred in Bank's attempt to receive payment on the item.

6. Remittance Reporting.

6.1 **Remittance Package.** At the end of each Business Day on which Customer has Lockbox activity, Bank may send a remittance package with contents as selected in the Services' Setup Form(s).

6.2 **CD-ROM.** Bank may create a CD-ROM of images of processed checks and remittance detail, at Customer's request, on a daily, weekly, or monthly basis. If the documents are unable to be imaged, Bank reserves the right to forego scanning and forward the original documents to Customer. Bank has no liability for illegible images created from a damaged or illegible original document, and such original document will be forwarded to Customer, if requested, assuming that such original has not yet been destroyed.

6.3 Electronic Transmission.

6.3.1 Subject to the terms and conditions of and in accordance with Bank's Appendix for Data Transmission Services, remittance data will be transmitted to Customer electronically at such time(s) as selected in the Services' Setup Form(s).

6.3.2 **Retail Lockbox.** As applicable, the optical character recognition ("OCR") scan line is captured from a retail remittance Coupon with check digit validation (when supplied on the Coupon), as outlined in the Services' Setup Form(s). Bank will provide scan line requirements for this purpose. Bank may accommodate additional fields by mutual agreement and designation in the Services' Setup Form(s). Bank may provide a daily file of retail payments formatted to interface with Customer's accounts payable system.

6.3.3 **Wholesale Lockbox.** As applicable, information is taken from the wholesale remittance Coupon together with payment information, as outlined in the Services' Setup Form(s), to create a data transmission of receivables information.

6.3.4 Reporting fields will be determined based on Customer's capture specifications and available fields or information on the Coupon, as set forth in the Setup Form(s). All Customer requests for re-transmission of a failed transmission should occur within one (1) Business Day of the originally scheduled transmission.

6.4 Web Access.

6.4.1 As may be made available by Bank from time to time, Customer may use a Web-based service to access a variety of reporting options for the Services ("Web Access"), including reporting of deposits, images of Lockbox Items, and online review of deposit details subject to pre-established data entry fields. Information is available for review by Customer as the Lockbox Items are processed.

6.4.2 A user guide and procedures shall be provided to Customer as well as hardware requirements. Customer agrees not to use Web Access in connection with any activity other than those permitted by this Appendix, unless Bank provides prior written approval. Customer shall use Web Access solely for the purposes described in this Appendix. When Bank uses Web Access, Customer accepts the *Terms of Use* for Web Access, as posted on Web Access pages from time to time, and all selected features and functions of the modules on Web Access.

6.4.3 Bank shall use commercially reasonable efforts to notify Customer promptly of any system interruption, and notify Customer in advance of any update releases or other permitted changes that may reasonably be expected to affect Customer. Bank may make available to Customer new service releases and enhancements from time to time.

6.4.4 Bank offers its general security system capabilities to protect the integrity of the account transaction and remittance information. If a password, PIN, or other security device or identifier is used in connection with Web Access, Customer is responsible for the safekeeping of that device or identifier. Customer shall not disclose the security device or identifier to any unauthorized individual. Bank will establish for Customer a log-on ID ("user ID"). Customer will establish a unique password. Bank recommends that Customer change its password periodically. Customer agrees to notify Bank immediately if Customer becomes aware of: (i) any loss or theft of Customer's user ID and/or password; or (ii) any unauthorized use of Customer's user ID and/or password. Within established security procedures, Bank will be responsible for: (i) restricting Web Access to valid user IDs/passwords, (ii) restricting access to customer information only to valid user IDs/passwords assigned to such user, and (iii) properly acting upon instructions and communications associated with a valid user ID/password assigned to a specific user. Bank may provide optional security features to include such features as passwords that expire at pre-established time periods or restrict log-on user ID to certain times in the day. Bank may cancel any user ID/password if Bank has reason to suspect improper use. Prior to cancellation, Bank shall confer with Customer, unless in Bank's reasonable opinion it would be impracticable or imprudent to do so.

7. **Retail Lockbox Remittance Document Testing.** Customer and Bank understand and agree that the Services are dependent on the successful testing and pre-approval by Bank of Customer's remittance documents. Customer agrees that it will not change, in any respect, any remittance document or its contents without thirty (30) days' minimum prior written notification to Bank, and subsequent acceptance, testing, and approval by Bank. Bank reserves the right to test Customer's remittance documents from time to time to assess poor quality Coupons that may require manual processing by Bank. All custom, non-standard assessment, testing and review, and any required custom handling, may be subject to additional Bank fees.

8. **Liability.** Remittance processing is a highly automated service, and Bank uses commercially reasonable efforts to process items. The liability of Bank under this Appendix shall in all cases be subject to the provisions of the Cash Management Master Agreement and the Account Agreement.

9. **Termination of this Appendix.** In the event that Customer terminates the Services, Bank may forward mail from a closed Lockbox to the address designated by Customer, in writing, for a period of ninety (90) calendar days. Bank charges apply and are payable in advance of Bank providing such forwarding service. If Customer does not select forwarding service, mail will be returned to sender. Customer understands that PO Box numbers may not be transferable, as the PO Box may be issued within Bank's unique zip code, and, therefore, must be retired.

10. **Effectiveness.** Customer agrees to all the terms and conditions of this Appendix. The liability of Bank

under this Appendix shall in all cases be subject to the provisions of the Cash Management Master Agreement, including, without limitation, any provisions thereof that exclude or limit warranties made by, damages payable by or remedies available from Bank. This Appendix replaces

and supersedes all prior agreements on file with respect to the Services and shall remain in full force and effect until termination or such time as a different or amended Appendix is accepted in writing by Bank or the Cash Management Master Agreement is terminated.

APPENDIX XXI

TD DATA TRANSMISSION SERVICES

This Appendix is incorporated by reference into the parties' Cash Management Master Agreement and applies to TD Data Transmission Services made available to Customer by Bank or Bank's third-party service provider. All capitalized terms used herein without definition shall have the meanings given to them in the Cash Management Master Agreement. Except as otherwise expressly provided in this Appendix, to the extent that this Appendix is inconsistent with the provisions of the Cash Management Master Agreement, this Appendix and any amendment hereto from time to time shall control, but only to the extent necessary to resolve such conflict.

TERMS AND CONDITIONS

1. **Services.** The Data Transmission Services (the "Services") provide Customer with the ability to exchange information files with Bank's (or its third-party service provider's) information systems for a variety of needs and functions. This Service allows Customer to send and/or receive its Bank files using File Transfer Protocol ("FTP"), Hypertext Transfer Protocol Secure ("Secure Web"), Secure File Transfer Protocol ("SFTP"), SWIFT Transmission, or via such other method as the parties may agree upon from time to time, as may be set forth in a Services' Setup Form(s), and as further described below.

2. **FTP Transmission.**

2.1 This method of data transmission permits Customer to deliver and/or receive encrypted files to a Bank-maintained FTP server. Bank will create a drop-box directory on the server where Customer may upload and deliver data files. To send data to Bank, Customer will either push the data files to Bank's directory, or Customer will give Bank a unique user name, password and Customer service address, and Bank will deliver the file. For data Bank sends Customer, Customer will pull the data files from its outbound directory on the server.

2.2 The technical requirements for FTP over the Internet include an Internet connection, FTP client capabilities, and Pretty Good Privacy ("PGP") or equivalent software for file encryption and decryption.

2.3 Files for transmission by FTP must be encrypted using PGP Version 4.0 or higher. PGP provides encryption technology including encryption, decryption, key management, encrypted email, digital signatures, key generation, certified keys and key revocation. Bank will generate a public key/private key pair for Customer. The public part of the key will be sent to Customer via Customer's assigned mailbox on Bank's transmission platform. The private part of the key will be securely kept within Bank. Customer will also generate a key pair for files that it sends to Bank. The public part of this key pair will be sent to Bank, also via the mailbox, while only Customer will know the private key.

2.4 To begin transmission by FTP, Bank will establish Customer's access to Bank's FTP server. Bank will provide Customer with the domain name required for the FTP connection. Customer will be provided a User ID and password that is unique to Customer and will be required each time Customer wishes to connect to Bank's transmission platform to send or receive files. PGP public keys for encryption will be exchanged. Bank and Customer will perform, to their mutual satisfaction, connectivity testing between platforms and encryption testing on transmitted files prior to Customer's use of the Service via FTP transmission.

3. **Secure Web Transmission.**

3.1 This method of data transmission permits Customer to deliver and/or receive files using an Internet connection, User ID and password. Bank will provide Customer with the domain name of a website that will display a web page with Customer's root directory. Customer can upload data files to this directory by clicking the Browse button and selecting the file from Customer's local network. Data files sent by Bank will be displayed in Customer's outbound directory and may be downloaded by Customer to its local network.

3.2 The technical requirements for Secure Web include an Internet connection and browser supporting 128-bit Secure Sockets Layer ("SSL") encryption.

3.3 Files for transmission through Secure Web are encrypted using SSL. SSL is an open protocol for securing data communication across computer networks that provides a secure channel for data transmission through its encryption capabilities. SSL allows for the transfer of digitally-signed certificates for authentication procedures and provides message integrity to protect against data being altered en route. Bank and Customer will perform, to their mutual satisfaction, connectivity testing between platforms and encryption testing on transmitted files prior to Customer's use of the Service via Secure Web.

4. Secure FTP (SFTP) Transmission.

4.1 This method of data transmission permits Customer to deliver to and/or receive files from a Bank-maintained SFTP server. Files transfers through SFTP communications are encrypted using Secure Shell ("SSH"). SSH is an open protocol for securing data communication across computer networks providing a secure channel for data transmission. The encryption used by SSH is intended to provide confidentiality and integrity of data over an unsecured network, such as the Internet. SSH uses public-key cryptography to authenticate the remote computer and allow the remote computer to authenticate the user, if necessary.

4.2 Customer has the option to push files to Bank's SFTP server or have Bank pull Customer's files. For Customer push, Bank will create a drop-box directory on the SFTP server and provide Customer with a user name, password, and URL/domain name. Customer must provide an external IP address of the location sending files so that Customer's IP address can be added to access control lists within Bank's firewalls. For Bank to pull Customer's files, Bank will need a user name, password, URL/domain name, and directory from Customer so that Bank can pull files from Customer's SFTP servers. Bank and Customer will perform, to their mutual satisfaction, connectivity testing between platforms prior to Customer's use of the Services.

4.3 Customer also has the option for Bank to push Customer files (recommended by Bank) or Customer can pull the files from Bank's SFTP server. For Bank to push Customer's file, Bank needs Customer's URL/domain name, unique user name, password, and directory. For Customer to pull files from Bank's SFTP server, Customer must provide the external IP address of the location pulling the files so that Customer's IP address can be added to access control lists within Bank's firewalls. If Customer chooses to pull files from Bank's SFTP server, then files must be PGP encrypted, since files will reside on an SFTP server within Bank's DMZ. Bank will need Customer's public PGP key so that Bank can encrypt files. Bank and Customer will perform, to their mutual satisfaction, connectivity testing between platforms and encryption testing (if necessary) on transmitted files prior to Customer's use of the Services.

4.4 Customer will need an FTP client capable of using the SSH protocol. If Customer decides to pull files from Bank, Customer will need an application/utility capable of creating a PGP key pair and decrypting PGP files.

5. Secure Software.

5.1 This method of data transmission involves the use of a Java®-based program that serves as a secure access channel through which information may be exchanged between Customer's Computer and Bank. This software is provided by Bank and must be installed on a Customer's Computer or network. Secure Software facilitates the secure transfer of files both to and from Customer's network location.

5.2 The technical requirements for Secure Software include an Internet connection.

5.3 Files for transmission through Secure Software are encrypted using SSL. SSL is an open protocol for securing data communication across computer networks that provides a secure channel for data transmission through its encryption capabilities. SSL allows for the transfer of digitally-signed certificates for authentication procedures and provides message integrity to protect against data being altered en route. Bank and Customer will perform, to their mutual satisfaction, connectivity testing between platforms and encryption testing on transmitted files prior to Customer's use of the Services via Secure Software.

6. SWIFT Transmission.

6.1 This method of transmission provides Customer with the ability to use Society of Worldwide Interbank Financial Telecommunications operating as S.W.I.F.T. SCRL, Limited Liability Cooperative Society ("SWIFT") messaging services as described in this Section to engage in certain electronic communications with Bank (hereinafter the "SWIFT Services"). With the SWIFT Services, Customer may: (1) transmit certain SWIFT messages and documents to Bank and receive certain SWIFT messages and documents from Bank and other financial institutions, using SWIFT FIN and/or SWIFTNet FileAct, the latter of which is a file transfer service that allows the transmission of messages and documents over the SWIFT network in all formats agreed upon by Bank, and (2) transmit and receive SWIFT Instructions (as further described below) from Bank and other financial institutions in connection with certain Cash Management Services as agreed by the parties from time to time. Bank is a participating depository financial institution in SWIFT.

6.2 SWIFT Rules. The "SWIFT Rules" are the documents and other publications as amended by SWIFT from time to time that Customer may access at www.swift.com, whether in paper or electronic format, providing specific terms and conditions and other details relating to the provision and use of the SWIFT Services, including without limitation the SWIFT Contractual Arrangements; the SWIFT General Terms and Conditions; the SWIFT Service Bureau Policy and the SWIFT Data Retrieval Policy; the SWIFT MA-CUG, SCORE and TRCO Service Descriptions and any other SWIFT Service Descriptions applicable to the SWIFT Services; and the SWIFT On-line Support Service information. This Appendix, the SWIFT Services provided hereunder and the rights and obligations of the parties hereto shall be subject to the SWIFT Rules, as they may be amended from time to time. The parties agree to comply with the SWIFT Rules and to be aware of and comply with changes or updates to the SWIFT Rules.

6.3 SWIFT Instructions.

6.3.1 Bank may honor and act upon any authenticated SWIFT message, communication or instruction, including any Payment Order (hereinafter a "SWIFT Instruction") received in Customer's name or

under any SWIFT Business Identifier Code (BIC) that: (1) is unique to Customer, (2) is owned by a parent company or other affiliate of Customer, or (3) is owned by an unrelated third party and/or that is otherwise operating by agreement with Customer as Customer's agent for purposes of Customer's use of the SWIFT Services. Each such BIC(s) shall be identified by or through Customer in the Services' Setup Form(s) (hereinafter, collectively, "Customer's BIC(s)"). Customer acknowledges that the Services' Setup Form(s) shall also set out the key features and requirements that shall apply to Customer's use of the SWIFT Services, which may include but are not limited to the following:

i. the SWIFT messaging services to be used to transmit SWIFT Instructions to Bank (e.g., SWIFT FIN and/or SWIFTNet FileAct);

ii. the SWIFT message types and file formats that are supported by Bank under the SWIFT Services, including the types of Payment Orders that Customer may transmit;

iii. the technical parameters associated with and required for SWIFTNet FileAct (e.g., file transfer mode options and file transfer fields, etc.);

iv. the type of information that Bank shall provide in conjunction with any SWIFT message sent by Bank to Customer within the SWIFT Services, including any account status or other information made available by Bank;

v. the Customer Account(s) to be used in connection with the SWIFT Services; and

vi. the SWIFT access model (e.g., SCORE, MA-CUG, etc.) and connectivity (e.g., direct access, Alliance Lite, member, service bureau, etc.) associated with Customer's use of the SWIFT Services.

6.3.2 SWIFT Instructions made in accordance with this Appendix and the SWIFT Rules shall be deemed to have been given by an individual authorized to act on behalf of Customer. Bank will act in reliance on the accuracy and completeness of the SWIFT Instruction received by Bank in Customer's name or via Customer's BIC(s). Customer shall ensure that any SWIFT Instruction sent to Bank fully and accurately reflects the advice, request, instruction or communication intended to be provided to Bank by Customer and is duly authorized. Customer irrevocably authorizes Bank to (a) treat as accurate, authentic and properly authorized, rely upon and implement any SWIFT Instruction received by Bank which originates (or appears to originate) from Customer (including, in the case of a Payment Order, debiting the Account as specified in the SWIFT Instruction), and (b) to process each such SWIFT Instruction as described in this Section 6.

6.3.3 Notwithstanding the foregoing, Bank is not obligated to act on a SWIFT Instruction or treat a SWIFT Instruction as accurate, authentic or authorized, if:

- the SWIFT Instruction does not meet the requirements of the SWIFT Rules or otherwise appears not to have been prepared or sent in accordance with this Section;
- Bank considers that the execution of that SWIFT Instruction may place Bank in breach of any law or regulation; or
- Bank reasonably suspects that the SWIFT Instruction received by Bank (a) may not fully and accurately reflect an advice, request, instruction or communication that Customer intended to give to Bank; or (b) may not have been given in accordance with Customer's authorization procedures.

Except to the extent prevented by applicable law or regulation, Bank shall notify Customer if, under this Section 6.3, it does not act on a SWIFT Instruction.

6.4 Secure Communications Channel

6.4.1 SWIFT offers SWIFT messaging services as a secure communications channel. SWIFT has established procedures and requirements for controlling access to SWIFT messaging services (each, an "Access Control") that may include, without limitation, access codes, message authentication codes, secure card readers, digital signatures, and hardware security modules. In addition, SWIFT authenticates certain messages based on SWIFT message type prior to accepting them for routing as SWIFT Instructions (each, an "Authenticated Message"). This authentication may include confirming that the sender and recipient of the message have exchanged bilateral keys ("BKE"), entered into a relationship management application ("RMA") agreement, or taken other steps to secure the transmission of SWIFT Instructions between them as SWIFT requires from time to time (each, an "Authentication Procedure"). Collectively, the Access Controls and Authentication Procedures shall be referred to herein as the "SWIFT Security Procedures."

6.4.2 Bank and Customer rely on SWIFT's Access Controls and, in the case of an Authenticated Message, the Authentication Procedures, if any, that SWIFT requires to secure the transmission of Customer's SWIFT Instructions. Bank does not undertake and will have no obligation to Customer to separately authenticate any SWIFT Instruction that Bank receives in Customer's name or under Customer's BIC, whether or not Customer actually issued the SWIFT Instruction. Bank may, at Bank's sole election and option, contact Customer with respect to any SWIFT Instruction that Bank receives in Customer's name or under Customer's BIC, but Bank's election to contact Customer with respect to one or more SWIFT Instructions will not obligate Bank to contact Customer with respect to subsequent SWIFT Instructions that Bank receives in Customer's name or under Customer's BIC.

6.5 Customer Representations and Warranties. Customer represents and warrants with respect to itself and the Customer's BIC(s) identified by or through Customer in the Services' Setup Form(s) that it:

- is registered with SWIFT as either a "Member Administered Closed User Group" and/or "Closed User Group" and/or "SCORE (Standardized Corporate Environment)" member;
- is in compliance with applicable SWIFT Rules;
- is not in violation of any federal, state or local laws with respect to the SWIFT Services;
- is a duly incorporated and validly existing legal entity;
- is in good standing financially and in compliance with all laws and regulations applicable to Customer; and
- is subject to regular audits in accordance with internationally recognized accounting standards by independent auditors.

6.6 Third-Party Service Providers: Third Party-Service Provider Activities.

6.6.1 Customer may appoint a third party, whether a SWIFT registered user/member, SWIFT authorized service bureau or other third party, to send or receive SWIFT Instructions, perform other functions and/or otherwise act as Customer's agent for purposes of the SWIFT Services provided hereunder (a "Third-Party Service Provider"), as shall be set forth in the Services' Setup Form(s). In such event, Customer agrees that the Third-Party Service Provider shall have all the powers of Customer in relation to the SWIFT Services. Customer unconditionally authorizes Bank to deal directly with the Third-Party Service Provider in connection with all matters relating to the SWIFT Services, including, without limitation, the receiving and sending of SWIFT Instructions (including Payment Orders), and any testing to be completed with respect to the SWIFT Services. All SWIFT Instructions received by Bank from Third-Party Service Provider are hereby authorized by Customer. All acts and omissions of Third-Party Service Provider shall be the acts, omissions and responsibility of Customer and shall be governed by the provisions of this Appendix. For the avoidance of doubt, Customer shall ensure the Third-Party Service Provider complies with the relevant provisions of this Appendix. Notice of any termination of Third-Party Service Provider's authority to receive and send SWIFT Instructions to Bank on Customer's behalf shall be given to Bank in writing. The effective date of such termination shall be ten (10) Business Days after Bank receives written notice of such termination. Notwithstanding the foregoing, Customer agrees that Bank retains the right to reject any such Third-Party Service Provider and thus any associated SWIFT Instructions initiated by Customer's Third-Party Service Provider in Bank's sole discretion.

6.6.2 Subject to Bank's prior approval and in its sole and exclusive discretion, Customer may be permitted to use the SWIFT Services provided hereunder on behalf of and in conjunction with Accounts that belong to Customer's clients, as well as on Customer's own behalf. Customer shall provide an appropriate letter of authority and/or execute any such other agreement(s) or documents as deemed necessary or appropriate by Bank prior to the initiation or continuation by Customer of the SWIFT Services in the capacity of a third-party service provider. Customer agrees that Bank retains the right to reject any request by Customer to engage in such activities as well as any SWIFT Instructions by Customer in such capacity, in Bank's sole discretion. In the event Bank approves Customer's use of the SWIFT Services as a third-party service provider, then the following shall also apply:

(a) Customer represents and warrants to Bank that each Customer client has given Customer authority to access and engage in SWIFT Instructions with respect to its Accounts through use of the SWIFT Services to the same extent as if Customer owned them, including in the capacity of a "third party service provider;"

(b) each reference to "Customer" herein will be deemed to be a collective reference to Customer and each Customer client whose Accounts are included in Bank's implementation of Customer's set-up for the SWIFT Services;

(c) all of the provisions set forth herein will apply to the Customer client's Account(s) as if Customer owned them;

(d) each person who is authorized to act on Customer's behalf with respect to the SWIFT Services is also authorized to act on Customer's behalf to the same extent with respect to the Accounts of each Customer client whose Accounts are included in Bank's implementation of Customer's set-up for the SWIFT Services; and

(e) Customer shall be liable for all monetary, confidentiality and other obligations to Bank hereunder as they relate to Customer's use of the SWIFT Services for itself as well as each such Customer client. Customer agrees to notify Bank immediately if Customer's authority with respect to Customer's client(s) is revoked or changed.

6.7 Customer Direction and Indemnity.

6.7.1 In the event that the BIC(s) identified by or through Customer in the Services' Setup Form(s) are owned by a parent company or other affiliate of Customer, or are owned by an unrelated third party and/or such third party is otherwise operating by agreement with Customer as Customer's Third-Party Service Provider for purposes of the SWIFT Services, Bank is prepared to act on a SWIFT Instruction from Customer's SWIFT

BIC(s) only upon receipt of the indemnity provided in this Section 6. This indemnity shall be in addition to and not in lieu of an additional indemnity provided by Customer in the Cash Management Master Agreement.

6.7.2 Bank is authorized to accept and honor any files and/or SWIFT Instructions sent from any of Customer's SWIFT BIC(s) without making any inquiry as to the validity or sufficiency of the SWIFT Instructions and to consider the SWIFT Instructions of like force and effect as written orders made in accordance with the signing authorities held by Bank from time to time for the operation of Customer's Account(s) with Bank.

6.7.3 Without limiting the scope of Section 6.7.2, Bank is authorized to disclose information about Customer, its Accounts and banking relationship with Bank, including any changes to such information, in response to and as directed in the SWIFT Instructions as required to process the same.

6.7.4 Bank shall not be liable for any loss or damage incurred by Customer, or any third party arising from or in any way related to Bank acting upon or refusing to act upon any SWIFT Instructions from Customer's BIC(s), unless due to the gross negligence or willful misconduct of Bank. Notwithstanding the foregoing, in no event shall Bank be liable for any indirect, special or inconsequential damages incurred by Customer or any third party arising from or in any way related to Bank acting upon or refusing to act upon any SWIFT Instructions.

6.7.5 Except as otherwise expressly prohibited or limited by applicable law, Customer hereby agrees to indemnify and hold Bank harmless from and against any losses, liabilities, claims, damages, fees, or expenses whatsoever that Bank may suffer, incur or be under or that may be brought against Bank, pursuant to, in connection with, or in any way related to Bank acting upon, delaying in acting upon or refusing to act upon any SWIFT Instructions from Customer's BIC(s).

6.8 Termination of SWIFT Services. In addition to but not in lieu of the provisions of the Cash Management Master Agreement, the SWIFT Services shall terminate automatically in the event that:

- either party loses user status as defined in the SWIFT General Terms and Conditions of the By-laws;
- SWIFT has ceased to provide, and not resumed providing, any of the SWIFT messaging services;
- SWIFT, in exercise of its rights under the SWIFT Rules, has required either party to terminate the SWIFT Services; or
- Bank has ceased to provide the Cash Management Services.

6.9 Suspension of SWIFT Services. In addition to but not in lieu of the provisions of the Cash Management

Master Agreement, either party may suspend the use of the SWIFT Services for such period(s) as it considers appropriate in its absolute discretion by notice to the other party if: (a) suspension is necessary for the purposes of (routine or emergency) maintenance; (b) for security or technical reasons, including a suspension of the SWIFT messaging services by SWIFT, use of the SWIFT messaging services is impossible or cannot be achieved without unreasonable cost to Bank or Customer; (c) suspension is required by SWIFT or the SWIFT Rules; or (d) suspension is necessary to avoid or reduce any material damage or disadvantage to either party.

7. Security Procedures.

7.1 Customer agrees that the security procedures set forth or incorporated by reference in this Appendix (including without limitation the SWIFT Security Procedures), the Cash Management Master Agreement and/or associated documents provided by Bank, including without limitation the Services' Setup Form(s), are a commercially reasonable method of providing security against unauthorized access to or interception of transmissions between Customer and Bank (hereinafter collectively the "Security Procedures"). Any transmission by Customer shall be deemed authorized if transmitted in accordance with the Security Procedures. Bank may, from time to time, modify the Security Procedures. Such modifications shall become effective upon receipt of notice by Customer or such later date as may be stated in the Bank's notice to Customer. If Customer fails to object to such change, it shall be deemed to agree to such change.

7.2 With respect to SWIFT in particular, Customer further acknowledges that the SWIFT Security Procedures are the only security procedures offered for SWIFT Instructions that Customer transmits through the SWIFT Services. Customer has solely determined that the SWIFT Security Procedures best meet Customer's requirements with regard to the size, type and frequency of the SWIFT Instructions issued by Customer to Bank using the SWIFT Services and that the SWIFT Security Procedures are a commercially reasonable method of providing security against unauthorized access to or interception of transmissions between Customer and Bank. Customer acknowledges that it is bound by the terms and conditions of each SWIFT Instruction, including any request to cancel or amend a SWIFT Instruction, whether or not authorized by Customer, that Bank receives in Customer's name or under Customer's BIC(s) through the SWIFT Services and in accordance with the SWIFT Security Procedures.

7.3 Nothing in this Appendix shall be deemed a representation or warranty by Bank that FTP, Secure Web, SFTP or SWIFT communications are secure. Rather, after review of the alternatives, Customer has selected a communication method that it believes best suits its needs.

7.4 Bank and/or SWIFT (as applicable) may, from time to time, propose different, additional or enhanced security procedures to Customer. Customer understands and agrees that if it declines to use any such enhanced

procedures, it will be liable for any losses that would have been prevented by such procedures. Notwithstanding anything else contained in this Appendix, if Bank and/or SWIFT believes immediate action is required for the security of Bank, SWIFT or Customer funds or data, Bank and/or SWIFT may initiate additional security procedures immediately and provide prompt subsequent notice thereof to Customer.

7.5 Customer hereby acknowledges that the Security Procedures are neither designed nor intended to detect errors in the content or verify the contents of a transmission between the parties. Accordingly, any errors contained in a transmission from Customer shall be Customer's responsibility. Except as otherwise expressly provided in the parties' Cash Management Master Agreement or other Appendix between the parties, no security procedure for the detection of any such Customer error has been agreed upon between Bank and Customer.

7.6 Customer is strictly responsible for establishing and maintaining procedures to safeguard against, detect and mitigate unauthorized access to or interception of transmissions. Customer covenants that no employee or other individual under Customer's control will be allowed to initiate transmissions in the absence of proper authority, supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of the Security Procedures and any passwords, codes, security devices and

related instructions provided by Bank in connection with any Security Procedure utilized by Bank, SWIFT and/or Customer. If Customer believes or suspects that any such password, code, security device, Security Procedure, information or instructions have been disclosed to or accessed by unauthorized persons, Customer agrees to notify Bank immediately followed by written confirmation as provided in the Services' Setup Form(s).

7.7 Customer shall retain data files for five (5) Business Days following the date of their transmittal by Customer as provided herein, and shall provide such data files to Bank upon request.

8. **Effectiveness.** Customer agrees to all the terms and conditions of this Appendix. The liability of Bank under this Appendix shall in all cases be subject to the provisions of the Cash Management Master Agreement, including, without limitation, any provisions thereof that exclude or limit warranties made by, damages payable by or remedies available from Bank. This Appendix replaces and supersedes all prior agreements on file with respect to Data Transmission Services and shall remain in full force and effect until termination or such time as a different or amended Appendix is accepted in writing by Bank or the parties' Cash Management Master Agreement is terminated.

TD AUTOMATED STANDING WIRE TRANSFER SERVICES AGREEMENT

This TD Automated Standing Wire Transfer Services Agreement (the "Agreement") is by and between TD Bank, N.A. ("Bank") and the customer identified below ("Customer"). Bank and Customer agree that the TD Automated Standing Wire Transfer Services (the "Services," as described below) provided to Customer by Bank will be governed by the terms of this Agreement and any amendment hereto from time to time with respect to the Services, and by the terms and conditions of the parties' agreement (hereinafter the "Account Agreement") governing the underlying deposit account(s) in Customer's name at Bank that are associated with the Services (hereinafter the "Account(s)"). The parties further agree that the terms of the Account Agreement are expressly incorporated herein by reference, including without limitation, the section in Part I entitled "Funds Transfers". All capitalized terms used herein without definition shall have the meanings given to them in the Account Agreement, as may be amended from time to time. Except as otherwise expressly provided in this Agreement, to the extent that this Agreement is inconsistent with the provisions of the Account Agreement, this Agreement and any amendment hereto from time to time shall control, but only to the extent necessary to resolve such conflict.

By signing this Agreement, Customer agrees to be bound by the terms and conditions of this Agreement, as the same may be amended from time to time as further described below. This Agreement becomes effective with respect to the Services when this Agreement has been executed without modification by Customer. Bank will provide use of the Services when Bank has received all required and properly executed agreements and forms and when Customer has satisfactorily completed Bank's implementation, testing and training requirements, if any, in the use of the Services. Customer may not modify any portion of this Agreement without Bank's prior written consent and agreement, and any attempt by Customer to do otherwise shall render Customer's Agreement null and void.

TERMS AND CONDITIONS

1. Services. The Services described in this Agreement allow Customer to establish and provide to Bank, by such method(s) as set forth herein, standing repetitive domestic and international wire transfer instructions (hereinafter each an "Automated Standing Transfer" or "AST") that authorize and direct Bank, without further instruction from any party, to automatically execute and debit an Account for periodic wire transfers from Customer's Account to be made at specified times and in specified amounts to any other account as prescribed in Customer's instructions. When establishing the Services, Customer will determine the criteria for the transfer, including without limitation, the amount or balance threshold, the debit and credit Accounts, and execution frequency (i.e., daily, weekly, monthly or on specified dates during the month). After these instructions are established by Customer via the Services' set-up form(s) (attached to this Agreement), available funds over any balance threshold or a specified amount are automatically transferred until Customer notifies Bank otherwise, as set forth in this Agreement.

2. Customer Authorizations and Obligations.

2.1 Customer hereby authorizes Bank to wire transfer funds from Customer's Account to

make specified automated payments for Customer, as set forth in the Services' set-up form(s).

2.2 Each AST authorized by Customer will be initiated in accordance with a pre-determined schedule and on a Business Day as specified in the Services' set-up form(s). If the initiation date of the AST falls on a non-Business Day, the payment date will be as set forth in the Services' set-up form(s) (e.g., either the prior Business Day, or the next Business Day).

2.3 An AST may be made to U.S. domestic or international (non-U.S.) recipients and in U.S. currency only, as further described below.

2.4 Prior to submitting to Bank any AST, Customer shall carefully review the AST reflected in the Services' set-up form(s) (including any information completed by Customer or Bank) to ensure that it accurately reflects Customer's instructions.

2.5 Customer may deliver its AST to Bank in conjunction with Customer's delivery of this Agreement and by the method(s) described below, including the security procedures associated with each method. Bank is authorized to execute, and Customer expressly agrees to be bound by, any AST, whether or not authorized, issued in Customer's name that is accepted by Bank in accordance with the applicable

security procedures set forth below for the applicable delivery method, and to debit the identified Account for the amount of the requested AST.

(a) **In-Person.** An AST associated with this Agreement may be delivered to Bank in-person at a branch or other location specified by Bank. In such case, Bank will review the name of the person purporting to sign the AST delivered to Bank to verify that such person's name appears to be, according to Bank's records, the same as the name of an Authorized Signer (as defined in the Account Agreement) of Customer for the Account (hereinafter an "Authorized Representative"). Bank also shall review the person's government issued identification to verify that the name and signature of the person on such government issued identification appears to be, according to such identification, the same as the name and signature on the AST delivered to Bank.

(b) **Electronic Mail.** An AST may be delivered to Bank by electronic mail (email). Customer shall deliver a completed, signed and scanned AST to Bank at the email address provided to Customer by Bank. Customer is responsible for ensuring that any such email is sent to Bank in a secure manner. Bank will compare the name and signature of the person purporting to sign the AST to verify that such person appears to be, according to Bank's records, the same as the name of an Authorized Representative. Bank will then make a telephone call to any Authorized Representative (which person may be the same as the person that emailed the form to Bank) at the telephone number for such person according to Bank's records, to obtain oral confirmation of the requested establishment of the AST. Customer acknowledges and agrees that Bank shall not be responsible or liable for any loss, liability or expense incurred as a result of Customer's election to deliver an AST by email.

2.4 Once authorized by Customer, an AST will remain in effect until cancelled by Customer in accordance with this Agreement.

2.5 Customer acknowledges and agrees that the security procedures set forth above are commercially reasonable for the transmission of ASTs to Bank using the applicable method set forth above, and for verifying the authenticity of an AST received by Bank purportedly from Customer. Bank may, at Bank's sole discretion, (i) refuse to accept any AST that it receives purportedly from or on behalf of Customer, or (ii) at any time upon notice to Customer, cease to execute ASTs that Bank has previously accepted. Any Authorized Representative is authorized to revoke an AST. Bank is not obligated to act on any such revocation until it receives written notice of the revocation and has had a reasonable time to act on such notice. Any wire transfer executed by Bank that is based on an AST is not subject to verification by any of the security procedures set forth

above or otherwise, but is otherwise subject to the same terms and conditions otherwise described in this Agreement. Any wire transfer of funds executed by Bank in accordance with the terms of Customer's AST and this Agreement shall bind Customer. Bank shall have no liability for executing a wire transfer in accordance with Customer's AST.

2.6 Customer shall be responsible for repaying any overdraft resulting from the Services and any fees associated with the overdraft in accordance with the Account Agreement. Customer agrees that Bank shall have no liability if other items are returned unpaid due to execution of the AST or if the AST is not executed for any reason.

2.7 Completed ASTs will be reflected on Customer's periodic Account statement. Customer may also confirm the execution of ASTs through any electronic (e.g., online banking) access that Customer may have to its Account information or periodic Account statements. Customer acknowledges and agrees that Bank is not obligated to provide Customer with a separate advice or notice for each completed AST. If Customer requests that Bank provide a special notice and Bank agrees to do so, Bank reserves the right to impose a service fee for such notice in accordance with the terms of this Agreement.

3. **Domestic ASTs.** Bank will use reasonable efforts to execute a domestic (U.S.-based receivers) AST on the date or execution frequency period requested by Customer, provided that each AST will be executed on a Business Day that is also a Business Day on which Bank, the Federal Reserve Bank or correspondent facility and the beneficiary bank are open for business, and is in conformity with any security procedures and other requirements described in this Agreement. If any of the requirements of this Agreement are not met, Bank will transmit the order on the next Business Day on which all of those requirements are met.

4. **International ASTs.**

4.1 An international AST (non-U.S. receivers) of U.S. currency requested by Customer and approved by Bank in accordance with the terms of this Agreement will be processed by Bank on a Business Day in accordance with Customer's requested transfer schedule and delivered within the industry standard delivery time (in most, but not all cases, two (2) Business Days). International ASTs may be subject to delays based on and due to various issues such as time-zone issues, the remote location of the recipient bank, cultural differences with respect to holidays and times of observation, and incorrect or incomplete information supplied by Customer.

4.2 Bank will send Customer's authenticated ASTs to foreign banks through any bank which is a member of Bank's correspondent network.

Neither Bank nor any of Bank's correspondents shall be liable for any errors, delays or defaults in the transfer of any messages in connection with such a foreign wire transfer by any means of transmission.

4.3 International ASTs may be made in U.S. currency only. Notwithstanding the foregoing, Customer acknowledges that the receiving bank may elect to pay the beneficiary in foreign currency at an exchange rate determined by the receiving bank. Customer agrees to bear all risk of loss due to fluctuation in exchange rates, and Customer shall pay Bank any costs and expenses of foreign currency conversion at Bank's then-prevailing rates, terms and conditions. Customer is advised that Bank's prevailing exchange rates may be less favorable to Customer than market exchange rates.

4.4 Bank makes no guarantee or representation as to the availability of funds at the foreign destination. Bank makes no express or implied warranty as to the time or date the order will arrive at the receiving bank, the amount of any fees to be charged by the receiving bank or correspondent bank or the time or date the beneficiary will receive credit for funds.

4.5 Customer understands and acknowledges that if the named beneficiary does not match the account at the receiving bank, there is a risk the beneficiary may not receive the wired funds. If the order is not received or credited in a timely manner, Bank will follow normal and customary procedures to complete the order, determine the location of the wired funds and/or return the funds to Customer. If Bank is unable to determine that the funds have been credited to the beneficiary's account or have the funds returned, Customer assumes all financial liability or risk of loss for the amount of the order.

4.6 International ASTs are subject to any and all applicable regulations and restrictions of U.S. and foreign governments relating to foreign exchange transactions. Bank has no obligation to accept any international ASTs or order(s) directed to or through persons, entities or countries restricted by government regulation or prior experience by Bank with particular countries. To the extent not otherwise prohibited by law, in connection with any international order(s) involving a transfer to or from any country outside of the U.S., and except as otherwise expressly prohibited or limited by law, Customer agrees to release and hold Bank harmless from any loss or liability which Customer may incur after Bank has executed the international order(s), including without limitation, any loss due to failure of a foreign bank or intermediary to deliver the funds to a beneficiary.

5. **Inconsistent Information.** Customer acknowledges and agrees that, in accordance with Article 4A of the Uniform Commercial Code, Bank shall be entitled to rely upon the numbers supplied by

Customer to identify banks, beneficiaries and other parties to the AST, even if those numbers disagree or are inconsistent with the names of those parties as provided by Customer. Except as otherwise expressly prohibited or limited by applicable law, Customer agrees to indemnify Bank for any loss or expense that results from Bank's reliance on an incorrect identifying or account number.

6. **Service Fees.** Customer agrees to compensate Bank for the Services in accordance with the applicable fee schedules or written agreements between Bank and Customer in effect from time to time that apply to the Services. Customer authorizes Bank to charge Customer's Account for and amend all charges and fees applicable to the Services in accordance with the terms of the Account Agreement.

7. **No Warranty.**

7.1 Bank does not warrant that the funds will reach the named beneficiary or that the funds will reach the named beneficiary at or by any particular time.

7.2 EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, CUSTOMER EXPRESSLY AGREES THAT USE OF THE SERVICES IS AT CUSTOMER'S SOLE RISK, AND THE SERVICES ARE PROVIDED "AS IS." BANK AND ITS SERVICE PROVIDERS AND AGENTS DO NOT MAKE AND EXPRESSLY DISCLAIM ANY WARRANTIES, EITHER EXPRESSED OR IMPLIED, WITH RESPECT TO THE SERVICES, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, OR NON-INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS, OR THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE, WITHOUT BREACHES OF SECURITY OR WITHOUT DELAYS. IN THOSE STATES THAT DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY, THE LIABILITY OF BANK AND ITS SERVICE PROVIDERS AND AGENTS IS LIMITED TO THE FULLEST POSSIBLE EXTENT PERMITTED BY LAW.

8. **Limitation of Liability; Indemnification.**

8.1 Except as otherwise expressly prohibited or limited by law, the liability of Bank in connection with the Services shall in all cases be limited in accordance with the terms of the Account Agreement.

8.2 Except as otherwise expressly prohibited or limited by law, Customer agrees to indemnify and hold Bank harmless from any and all claims, liabilities, losses, damages, costs and expenses (including its reasonable attorneys' fees) that Bank

may incur or that may be asserted by any person or entity against Bank, in accordance with the terms of the Account Agreement, and that may be incurred by Bank relating to or arising from this Agreement or the Services.

9. Term and Termination.

9.1 Except as otherwise expressly set forth herein, this Agreement shall continue in effect until terminated by either party with sixty (60) days prior written notice to the other. Notice for Customer must be provided by an Authorized Representative. Any modification to an existing AST, other than the addition of an Account(s), requires Customer to terminate the existing AST and complete and deliver a new AST. The new AST must be received by Bank at least five (5) Business Days prior to the effective date of the new AST.

9.2 Notwithstanding the foregoing, Bank may, without prior notice, terminate this Agreement and/or terminate or suspend the Services as follows: (i) if Customer or Bank closes any deposit account established in connection with the Services that is necessary for the ongoing use of the Services or necessary for Bank to charge associated service fees, (ii) if Bank determines that Customer has failed to maintain a financial condition deemed reasonably satisfactory to Bank to minimize any credit or other risks to Bank in providing the Services to Customer, including the commencement of a voluntary or involuntary proceeding under the United States Bankruptcy Code or other statute or regulation relating to bankruptcy or relief of debtors, (iii) in the event of a material breach or material breach of any representation or warranty by Customer, (iv) in the event of default by Customer in the payment of any sum owed by Customer to Bank hereunder or under any note or other agreement, as may be defined therein, (v) if there has been a seizure, attachment, or garnishment of Customer's deposit accounts, assets or properties, (vi) if Bank believes immediate action is necessary for the security of Bank or Customer (or Client) funds or (vii) if Bank reasonably believes that the continued provision of the Services in accordance with the terms of this Agreement would violate federal, state or local laws or regulations, or would subject Bank to unacceptable risk of loss. In the event of any termination hereunder, all fees due Bank under this Agreement as of the time of termination shall become immediately due and payable. Notwithstanding any termination, this Agreement shall remain in full force and effect with respect to all transactions initiated prior to such termination.

9.3 Any termination of this Agreement, whether initiated by Customer or Bank, will not affect any of Customer's or Bank's rights and obligations under this Agreement which have arisen before the effective date of termination of this Agreement. In addition, the provisions of this

Agreement relating to Customer's and Bank's liability, Customer's indemnification of Bank, and the disclaimer of warranties shall survive the termination of this Agreement.

10. **Documentation.** The parties acknowledge and agree that all documents evidencing, relating to or arising from the parties' relationship may be scanned or otherwise imaged or electronically stored and the originals (including manually signed originals) destroyed. The parties agree to treat such imaged documents as original documents and further agree that such reproductions and copies may be used and introduced as evidence at any legal proceeding including, without limitation, trials and arbitrations, relating to or arising under this Agreement.

11. **Force Majeure.** Neither party shall bear responsibility for non-performance of this Agreement to the extent that such non-performance is caused by an event beyond that party's control, including, but not necessarily limited to, fire, casualty, breakdown in equipment or failure of telecommunications or data processing services, lockout, strike, unavoidable accident, act of God, riot, war or the enactment, issuance or operation of any adverse governmental law, ruling, regulation, order, decree or an emergency that prevents Bank from operating normally.

12. **Facsimile or Other Signature.** The parties acknowledge and agree that this Agreement and any amendments hereto may be executed and delivered by facsimile or other electronic form acceptable to Bank, and that a facsimile or electronic signature shall be treated as and have the same force and effect as an original signature, subject to applicable law. Notwithstanding the foregoing, Bank may, in its sole and exclusive discretion, also require Customer to deliver this Agreement and any amendments with an original signature for its records.

13. **Recording of Communications.** Customer and Bank agree that all telephone conversations between them or their agents made in connection with the Services or this Agreement may be recorded and retained by either party by use of any reasonable means, subject to and in accordance with any additional requirements of applicable law.

14. **Entire Agreement; Changes to the Services and this Agreement.** Bank and Customer acknowledge and agree that this Agreement and any amendments hereto, the Account Agreement, and all other documents incorporated by reference therein, constitute the complete and exclusive statement of the agreement between them with respect to the Services and supersede any prior oral or written understandings, representations and agreements between the parties relating to the Services. Bank may change the Services and this Agreement in accordance with the terms of the Account Agreement and the Cash Management Master Agreement. Any such change

will generally be effective in accordance with the notice to Customer. Customer will be deemed to have accepted any changes to the Services and this Agreement if Customer accesses or uses the Services on or after the date on which the change became effective. Customer will remain obligated under this Agreement, including without limitation, being obligated to pay all amounts owing under this Agreement, even if Bank amends this Agreement.

15. **Governing Law; Conflicts.** Any claim, controversy or dispute arising under or related to this

Agreement shall be governed by and interpreted in accordance with federal law and, to the extent not preempted or inconsistent therewith, the laws of the Commonwealth of Virginia. In the event of a conflict between the provisions of this Agreement and any applicable law or regulation, this Agreement shall be deemed modified to the extent necessary to comply with such law or regulation.

IN WITNESS WHEREOF, Customer and Bank have duly caused this Agreement to be executed by an Authorized Representative.
