To Fairfax Water, 8570 Executive Park Avenue, Fairfax, Virginia, 22031:

Submitted by:

Name of Bidder: _____
(Legal Name of partnership, corporation or other form of entity)

Bidder's Mailing Address for Notices: _____

Bidder's Principal Office Address
(if different from above): _____

Form of Entity: _____

State of Organization: _____

Telephone No.: _____

Fax No.: _____

Bidder's Designated Contact Person: _____

The above-named Bidder affirms and declares:

1. This Bid is made without any understanding, agreement or connection with any other individual, partnership, corporation or other entity making a bid for the same purpose and is in all respects fair and without collusion or fraud.
2. The Bidder is not in arrears to Fairfax Water or Fairfax County upon debt or contract, and is not in default, as surety or otherwise, upon any obligation to Fairfax Water or Fairfax County.
3. No officer or employee whose salary is payable in whole or in part by Fairfax Water is presently nor shall become interested, directly or indirectly, as a contracting party, partner, stockholder, surety or otherwise, in this Bid, or in the performance of the Contract, or in the supplies, materials, or equipment and work or labor to which it relates, or in any portion of the profits thereof.
4. All proposed goods and services shall satisfy fully the requirements of the Contract Documents.
5. The Bidder is financially solvent and sufficiently experienced and competent to perform the Work.

6. The Bidder has carefully examined the site of the Work and, from his own investigations, is satisfied as to the nature and location of the Work; the character, quality and quantity of existing materials and all conditions likely to be encountered; the kind and extent of equipment and other facilities needed for the performance of the Work; the general and local conditions; and all other items which reasonably may be expected to affect the Work or its performance.
7. The undersigned bidder hereby represents and warrants to Fairfax Water that the bidder: (a) has reviewed and thoroughly understands the scope, terms and conditions set forth in this IFB; (b) has made due inquiry of Fairfax Water as to the existence of any addenda issued in connection with this IFB; (c) is satisfied that it has received any and all such addenda and the bidder has taken the contents thereof into consideration when preparing and submitting this Bid; and (d) accepts full and complete responsibility for the receipt of any and all such addenda and waives any claim of mistake or error in its Bid based upon its failure, in fact, to have reviewed all applicable addenda.
8. The undersigned bidder also declares that it has carefully examined and fully understands all the component parts of the Contract Documents and agrees, if awarded the Contract, to execute the Agreement and furnish the required contract security and evidence of insurance required by the Contract Documents, and to perform all of the Work in strict accordance with the terms of the Contract Documents for the prices set forth on the following page(s).

PART C – QUALIFICATIONS OF BIDDERS

In the spaces set forth below, please provide the information requested with regard to three projects, but not more than five, performed by the Bidder which meet the requirements as set forth in the Instruction to Bidders and as follows:

BIDDER QUALIFICATIONS

The Bidder shall submit with bid a letter of certification or approval from the paint manufacturer clarifying that the Bidder is qualified to apply the paint manufacturer's specified paint system.

The Bidder shall demonstrate relevant experience by providing at least three (3) project references, but not more than five (5), which have been completed within the last five (5) years. At least one (1) of the submitted projects included lead abatement. When considered collectively, the project references shall demonstrate experience which aligns with the work outlined in the project specifications and design plans. Each project shall meet the following criteria:

- Rehabilitation of a welded steel water storage tank of one (1) million gallons (MG) or larger volume.
- Rehabilitation included welding repairs.
- Rehabilitation included abrasive blast cleaning of whole tank.
- Rehabilitation included repainting of the whole tank.
- Value of work was greater than \$500,000.
- Successfully completed after November 1, 2019.
 - A project shall be considered to have been completed if the welding repairs, abrasive blast cleaning, and repainting for the referenced project have been performed, and the tank has been filled, tested, sampled, and placed into service.
- Completion of all Project Reference information requested. Fairfax Water will check all references with the project owner to confirm the information provided by the Bidder to determine responsibility. **BID MAY BE CONSIDERED NON-RESPONSIVE IF BIDDER FAILS TO COMPLETELY PROVIDE THE REFERENCE INFORMATION IN THE SPACES BELOW.**
