SECTION 1

1. SUMMARY INFORMATION

1.1 Introduction and Objective

The Fairfax County Water Authority, doing business as Fairfax Water (FW) was created under the Virginia Water and Sewer Authorities Act pursuant to resolutions adopted by Fairfax County on September 26, 1957. Fairfax Water is managed by a ten member Board of Directors appointed for three-year terms by the Fairfax County Board of Supervisors.

The objective of this Request For Proposal and resulting contract is to establish one-year, annually renewable contract(s) with offeror(s) to provide Fairfax Water with Brass Service Material as described and defined herein. The service materials will be ordered on an as-needed basis. There shall be no minimum order quantity. FW has identified the most frequently purchased items and they are included in the pricing summary sheet.

These unit prices and estimated quantities will be used for proposal evaluation purposes. For all other inventory items the offerors shall provide a discount off of list which shall remain firm for the entirety of the contract period including any subsequent renewal periods.

1.2 Contract Award

It is FW's intent to award four contracts to providers of brass service materials . One contract will be awarded to each manufacturer or a manufacturer's distributor contained in the Fairfax Water Approved Products List (APL). See Section 2.3 for those manufacturers. A contract will be awarded to the Offeror(s) whose proposals are determined to be the most advantageous to FW. The successful Offerors will be notified by issuance of a written contract and/or a Purchase Order. Public notice of award will be posted on the official FW web site:  
[http://www.fairfaxwater.org/procurement/notice\\_of\\_award.htm](http://www.fairfaxwater.org/procurement/notice_of_award.htm).

**B. Changes can be made to the contract in any of the following ways:**

2. FW may order changes within the general scope of the contract at any time by Notice to the Contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give FW a credit for any savings. Said compensation shall be determined by one of the following methods:
  - a. By mutual agreement between the parties in writing; or
  - b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the Contractor accounts for the number of units of work performed, subject to FW's right to audit the Contractor's records and/or to determine the correct number of units independently; or
  - c. By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present FW with all vouchers and records of expenses incurred and savings realized. If such a claim or suit is brought, the Contractor will cooperate, assist, and consult with FW in the defense or investigation of any suit or action made or filed against FW as a result of or relating to the Contractor's performance under this contract.
- E. The Contractor shall pay all royalties and license fees necessary for performance of the contract. The Contractor shall defend all suits or claims for infringement of any patent rights or other proprietary rights arising from or related to performance of the resulting contract and shall save FW harmless from any and all loss, including Attorneys' fees arising out of any such claim.

### 4.20 Insurance

- A. In addition to the mandatory insurance requirements listed in this Section and, at the request of FW, any Offeror may be required to provide a list of all insurance claims made against it within the past 36 months. FW reserves the right to reject any bid if in FW's opinion the amount or number of claims is deemed to be excessive. An Offeror's failure to comply with this requirement may result in rejection of its bid. If no claims have been made, then the Offeror shall so state in its bid. Fairfax Water may require such information from the Contractor as it deems necessary to assess the Contractor's financial ability to pay any deductibles with respect to the insurance policies required hereunder.
- B. Before commencing the work, the Contractor shall procure and maintain at its own expense, minimum insurance in forms and with insurance companies acceptable to FW to cover loss or liability arising out of the Work. All insurance policies must be underwritten by insurers

**RFP # 17-25**

authorized to conduct business within the Commonwealth of Virginia and must have a Best's rating of at least A- and a financial size of class VIII or better in the latest edition of Best's Insurance Reports.

The Contractor shall immediately notify FW of any claim or suit made or filed against the Contractor or its subcontractors regarding any matter resulting from or related to the Contractor's obligations under the contract. If such a claim or suit is brought, the Contractor will cooperate, assist, and consult with FW in the defense or investigation of any suit or action made or filed against FW as a result of or relating to the Contractor's performance under this contract.

- C. With the exception of Workers' Compensation and Employers' Liability Insurance, all additional insurance policies specified herein shall name FW as an additional insured with regard to work performed under any subsequent Contract
- D. The Contractor will provide FW with copies of certificates of insurance coverage and proof of payment of all premiums. Each certificate of insurance must include: (a) an endorsement from the insurer that certifies that the Contractor maintains the referenced policy in full force and effect; (b) where applicable, a statement indicating that FW is included as an additional insured; and (c) a provision requiring that not less than 30 days written notice will be given to FW before any policy or coverage is canceled or modified in any material respect. Without limiting the requirements set forth above, the insurance coverages will include a minimum of:
  - 1. Workers' Compensation and Employers' Liability Insurance: Statutory requirements and benefits as required by the Commonwealth of Virginia; and
  - 2. Required Commercial General Liability Insurance: This insurance must be written on an "occurrence" basis and shall be endorsed to include FW as an additional insured and shall provide policy limits of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate, and Excess Liability insurance with policy limits of not less than \$5,000,000 per occurrence and in the aggregate. Further, the Contractor shall maintain professional and cyber liability insurance with policy limits of not less than \$1,000,000 per occurrence and a minimum aggregate of \$2,000,000 for the purpose of providing coverage for claims arising out of the performance of its services under this Contract.
- E. Business Automobile Liability Insurance: This insurance coverage must extend to any motor vehicles or other motorized equipment regardless of whether it is owned, hired, or non-owned and must cover Bodily Injury and Property Damage with a combined single limit of at least \$1,000,000 each accident. This insurance must be written in comprehensive form and must protect the Contractor and FW against claims for injuries to members of the public and/or damage to the property of others arising from the Contractor's use of motor vehicles or other equipment and must cover both on-site and off-site operations.
- F. Nothing contained herein will be deemed to operate as a waiver of FW's sovereign immunity under the law.

#### 4.21 Partial Invalidity

Neither any payment for, nor acceptance of, the whole or any part of the services by FW, nor any extension of time, shall operate as a waiver of any provision of any Contract resulting from this RFP, nor of any power herein reserved to FW, or any right to damages herein provided, nor shall any waiver of any breach of any Contract be held to be a waiver of any other or subsequent breach. Failure of FW to require compliance with any term or condition of any Contract shall not be deemed a waiver of such term or condition or a waiver of the subsequent enforcement thereof.

#### 4.22 Payment

- A. Invoices: All invoices are to be sent directly to FW Accounts Payable department by mail, fax, or E-mail. Invoices shall include the FW Purchase Order / Contract number and the contractor's FEIN. Invoices are not to be sent to the contract Project Manager, or other departmental reps. Failure to comply may result in late payments for which FW will not be liable.
- B. Terms: All payments will be Net 30 from the date of receipt of a valid invoice at the FW Finance Department. Payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- C. Invoices: Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/contract. Invoices shall show the FW Purchase Order or contract number and either the social security (for individual Contractors) number or the federal employer identification number (for proprietorships, partnerships, and corporations) and are subject to review and approval by the FW Project Manager.
- D. Partial Payments: Requests for partial payments or advanced payments must be submitted as part of the Price Offer along with a justification. FW reserves the right to accept, reject or negotiate requests for partial payments. If the request is rejected, the Offeror must waive the requirement in order to remain in consideration.
- E. Unreasonable Charges: Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, final payment is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, FW shall promptly notify the Contractor, in writing, as to those charges that it considers unreasonable and the basis for the determination.

#### 4.23 Payment Clauses Required in All Contracts\*

Section § 2.2-4352 of the Virginia Public Procurement Act requires the following:

A. That any contract awarded by FW include the following clauses:

1. The Contractor shall take one of the two following actions within seven days after receipt of amounts paid to the contractor by FW for work performed by any subcontractor(s) under the contract:
  - a. The Contractor shall pay its subcontractor(s) for the proportionate share of the total payment received from FW attributable to the work performed by the subcontractor under that contract; or
  - b. Notify FW and any subcontractor(s), in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.
2. Offerors shall include in their offer submissions either: (i) if an individual contractor, their social security numbers; and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.
3. The contractor shall pay interest to the subcontractor(s) on all amounts owed by the Contractor that remain unpaid after seven days following receipt by the Contractor of payment from FW for work performed by the subcontractor under the contract, except for amounts withheld as allowed in subdivision 1.
4. Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of one percent per month.

B. The contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

C. A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of FW. A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

#### 4.24 Precedence of Terms

By submitting a proposal in response to this solicitation, the Offeror agrees that the terms and conditions contained in this solicitation shall control any contract arising from this solicitation. Any proposed terms and conditions, including any for a contract that the Offeror proposes to use, shall be submitted as part of the Offeror's proposal. Terms and conditions submitted by an Offeror after the deadline for submitting proposals will be rejected and the Offeror will be held to the terms and conditions contained herein. Contract award is contingent on the Offeror and FW agreeing on mutually acceptable terms and conditions. Failure to do so will automatically disqualify the Offeror from contract award. To the extent that a conflict arises or is found to exist between the Offeror's proposal and this solicitation, including any addenda thereto, the terms, conditions and specifications contained in this solicitation and any addenda thereto shall in all cases prevail.

**4.25 Price Firm Period**

Proposal Prices: Pricing shall be firm and fixed as originally offered and accepted for the first 12 months of the contract.

**4.26 Rider Clause**

Subject to the mutual agreement between the parties, any contract awarded on the basis of this solicitation may be used by any public entity (to include jurisdictions comprising the Metropolitan Washington Council of Governments), to enter into a contract for the services described and defined herein. For single purchases, the contract may be used for up to 12 months from the actual date of contract award. For multi-year contracts, the contract may be used throughout the effective period of the contract. Contracts awarded as a result of this solicitation will be subject to these terms and conditions, and/or such terms and conditions as may be required by the controlling body for the public agency using the contract. Pricing shall be as offered by the successful Offeror and subsequently accepted by FW.

**4.27 Tax Exemption**

FW is exempt from Federal Excise Taxes, Virginia State Sales and Use Taxes, and the District of Columbia Sales Taxes and Transportation Taxes. FW's tax exempt number is 54-6025290.

**4.28 Termination of Contract**

- A. For Cause. In the event that the Contractor: (1) fails to deliver any Service in accordance with the time period established therefore in the Contract; or (2) fails to furnish any Service which conforms in all respects to the requirements of the Contract; then FW, without prejudice to any other rights or remedies it may have at law or in equity (including its right to seek damages from the Contractor), shall have the right to terminate the Contract and any outstanding Purchase Orders by issuing a written notice of termination to the Contractor. Such notice of termination shall describe in reasonable detail the grounds for the termination and shall take effect immediately upon receipt by the Contractor.
- B. If, after issuance of a notice of termination under this Section it is determined for any reason that cause for such termination did not exist, then the rights and obligations of the parties shall be the same as if the notice of termination had been delivered under the provisions of subsection B (termination for convenience) hereof; provided, however, that the Contractor in such event shall be deemed to have received seven days prior written notice of such termination. Any compensation due the Contractor pursuant to subsection B shall be offset by the cost to FW of remedying the default by the Contractor. The Contractor shall in no event be entitled to receive any consequential damages or any anticipated profits with respect to Commodities not yet furnished to, and accepted by, FW as of the effective date of any such termination.
- C. For Convenience. FW shall have the right to terminate the Contract and/or any outstanding Purchase Orders issued hereunder at its own convenience for any reason by giving seven business days prior written notice of termination to the Contractor. In such event, the Contractor shall be paid an amount equal to the actual cost of any Commodity delivered to, and accepted by, FW and the actual cost of any equipment, goods or materials ordered by the Contractor hereunder in good faith which could not be canceled, less the salvage value thereof, provided sufficient substantiation

is furnished to FW. Any subcontract entered into by the Contractor in connection with the transactions contemplated hereby shall contain a similar termination provision for the benefit of the Contractor and FW. The Contractor shall in no event be entitled to receive anticipated profits on any Commodities not yet furnished to and accepted by FW as of the effective date of any such termination.

**4.29 Unit Prices Prevail**

The Price Proposal shall include a complete listing of all prices (e.g., annual maintenance, labor, materials, training, etc.). Any work performed beyond the scope of the contract and within the first 12 months after contract award shall be at the prices specified in Volume II. In the event of a conflict between unit prices and extended prices, the unit price shall prevail. All proposals shall be complete and accurate as submitted.

**4.30 Virginia Freedom of Information Act**

Except as provided herein, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, any interested person, firm, or corporation, in accordance with the Virginia Freedom of Information Act.

**4.31 Contractual Disputes \***

Contractual claims, whether for money or for other relief, will be submitted in writing not later than 60 days after final payment; provided however, that written notice of the Contractor's? Intention to file such claim must:

Be delivered to the attention of FW's Procurement Representative assigned to this contract at the address shown on the cover sheet of this RFP, not later than five days after the occurrence or of the beginning of the Work upon which the claim is based; and

Contain a reasonably detailed description of the basis of the claim otherwise the claim will be deemed to have been waived. FW will make a written decision upon any such claim within 60 days after submittal of the claim. The Contractor will not institute legal action prior to receipt of FW's decision on the claim unless FW fails to render such decision within 90 days after submittal of the claim. The decision of FW will be final, unless the Consultant Contractor initiates legal action as provided in Section 2.2-4364 of the Virginia Code. Failure of FW to render a decision within 90 days will not result in the Consultant Contractor being awarded the relief claimed, nor will it result in any other relief or penalty. The sole result of FW's failure to render a decision within the time allotted will be the Consultant's Contractor's right to immediately institute legal action. No administrative appeals procedure pursuant to Section 2.2-4365 of the Virginia Code has been established for contractual claims under this Agreement.

No claim of any nature will be made against FW by or on behalf of a subcontractor unless the Consultant Contractor has first: (a) evaluated such claim thoroughly and determined it to be meritorious; (b) issued a written notice to the subcontractor finding the subcontractor's claim to be meritorious and setting forth any additional compensation or additional days to be paid or granted to the subcontractor on account of such claim; and (c) paid the subcontractor in full for such claim. In presenting such a claim, the Consultant Contractor will provide FW with a copy of the written

notice to the subcontractor and with evidence of payment in full of the subcontractor's claim. No such claim will exceed the amount actually paid to the subcontractor.

### **4.32 No Employment of Unauthorized Aliens \***

The Consultant Contractor hereby covenants and agrees that it does not, and will not during the term of the Contract, knowingly employ an unauthorized alien (as such term is defined in the federal Immigration Reform and Control Act of 1986).
