Subject: Request for Sole Source Contract Award to Filtros, LTD

1. Background: Both CTP and GTP use fine bubble diffusers to feed ozone into settled water for ozone treatment. CTP ozone contactor 4 is in need of diffuser replacements requiring a total of 300 new diffusers. Additionally, 70 diffusers are required for inventory to facilitate anticipated maintenance and repairs at CTP and GTP during the next one-year term.
2. Justification: Filtros is the only known manufacturer of the all-ceramic diffuser for ozone service.
3. Recommendation: I have reviewed contract pricing and believe it to be in the best interest of Fairfax Water to award a Sole Source contract for the purchase of ozone diffusers to Filtros, LTD in the amount of \$52,780.50.
4. Determination: In accordance with Section 2.2-4303(E) of the Code of Virginia, as amended, it is my determination that the above named vendor is the only known source practicably available to obtain the goods and/or services specified above.
